THE CRY OF MILLIONS

OH, MY BACK!
STOP IT NOW,
SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over when I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Hedges' OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

TELEGRAPHIC NEWS.

What Was Done.
SALEM, Feb. 20.—When the legislative assembly of Oregon concluded its labors tonight it had enacted 227 laws, 136 of which originated in the senate and 91 in the house. There will be in the volume of session laws for 1891, 95 general laws and 133 special laws of which latter \$3,210 incorporation laws. This has been the most effective working legislature the state of Oregon has ever known. Of the 535 bills introduced in both houses, not one in the house and very few in the senate failed to receive consideration and final disposition. The appropriations of the present legislature, which are to be raised by a general tax during the next two years, amount to \$1,245,432.53.

A Murder.
MISSOULA, Mont, Feb. 20.—This afternoon at Turah, a logging camp, three miles east of Bonner, Tom Leonard stabbed and killed "Uncle Barney Finley" and then robbed his body of \$50. It appears that Finley, who is an old soldier, had incurred the anger of some toughs of that vicinity by peculiar penuriousness. Some time ago an anger was placed in the old man's bed, and he was also charged with stealing it. It was generally believed that Finley had a good deal of money. Leonard is described as an all round tough, and generally a desperate man.

A Sinsat Printers Ink.
BRITAIN, Feb. 20.—Emperor William, at a dinner given in his honor this evening by the Brandenburg diet, said he was aware that much he had recently done had changed many of his people. It was necessary, for them to confide in him, with the view only to the welfare of the whole.

A Scapgoat.
LONDON, Feb. 20.—Sadler, the alleged murderer of "Carrotty Neil," was written a letter to the London Star, claiming to be innocent and that the police, determined to fasten on someone a scapegoat for the Whitechapel tragedies, have apparently selected him and persistently ignored all facts tending to show his innocence. The Star has engaged counsel to defend Sadler.

The South American Revolution.
BUENOS AYRES, Feb. 20.—A state of siege has been declared here. A force of artillery has been brought to the capital from Zarate, and the troops at Palermo are held in readiness for an emergency. The people is becoming much alarmed.
