The proof of the merit of a plaster is the cases it effects, and the voluntary testimonies of those who have used Alcock's Porous Plaster during the past thirty years is unimpeachable evidence of their superiority and should convince the most skeptical. Disorders that affect the Kidneys  
Are among the most formidable known. Discharges, bright discharges, gravel and other symptoms of the urinary organs are not only cured in severe cases, but they may be prevented by timely medication. A useful treatment of the urinary glands has ever been found in Hostetter's Stomach Bitters, a medicine which not only affords the required stimulus when they become inactive, but increases their vigor and secretory power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of these organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorator of the stomach, and a matchless remedy for biliousness and liver and spleen. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.

### TELEGRAPHIC NEWS.

A Terrible Experience.  
HAZLETON, Pa, Feb 23.—After being eighteen days entombed in the darkness of ill-fated slope No. 9 at Janesville, five of the victims to the terrible disaster were found alive this afternoon. They were all Hungarians. How they survived is a miracle. Nothing like it has been known or heard of in the Pennsylvania coal fields. Up to today thirteen bodies had been found, and the rescuers today worked harder than ever to learn the fate of the remaining five. Late tonight, while two men were searching in the breast of the east gage, they came across five Hungarians huddled together and almost dead. They were so weak that, with one exception, they could not be moved.

Texas Outlaws.  
GAINESVILLE, Tex., Feb. 23.—A deputy marshal has found in a robber's cave near Tishomingo, in the Chickasaw nation, a man in chains who was held for ransom. For three years a gang of horse-thieves and outlaws have been terrorizing the country. For nearly three weeks a regular man-hunt has been in progress under the direction of Deputy United States Marshal Swain, which culminated last Thursday in an encounter, in which several outlaws and three of the posse were wounded.

The Storm.  
SAN FRANCISCO, Feb 23.—The great storm of the past two days, which was central this morning in Oregon, has moved eastward beyond the Pacific coast states, followed by a rapidly rising barometer in Northern California, Nevada and Oregon. Another cyclone is approaching off Vancouver's island, attended by rain throug Oregon and Washington, with winds shifting to south and east in the western portion of this region.

A European Accident.  
LONDON, Feb 23.—A fearful railway accident is reported from the town of Brest, formerly known as Berestoff, in Russian Poland. The town is a point of junction for several railways. Two trains came in collision with terrible results, sixteen persons being killed and many seriously injured. The authorities are holding an investigation as to the cause of the disaster.

A Coasting Accident.  
SEATTLE, Feb 23.—A fatal accident occurred to Frank Cady, a 17-year-old boy, while coasting on a hand-sled down Willow street, today. His sled broke while descending a steep grade and he was violently thrown some distance, his head striking on the sidewalk with such terrific force as to produce concussion of the brain, from the effects of which he died almost instantly.

Tired of Life.  
TACOMA, Feb 23.—Russ Glandon, of McMinnville, Or, attempted to commit suicide this evening by shooting himself in the right temple, but is not seriously injured. Mrs Glandon refused to say anything about the matter.

Pronounced Hopeless. Yet Saved.  
From a letter written by Mrs. Ada E. Herd of Graton, S. D. we quote: "Was taken with a bad cold, which settled on my Lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman."
