THE CRY OF MILLIONS

OH, MY BACK!
STOP IT NOW,
SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I got down it was almost impossible for me to get up alone, or to put on my clothes, with kind Providence sent Dr. Henley, with L. OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

TELEGRAPHIC NEWS.

III Fated Yuma.
YUMA, A. T., Feb. 27.—The water reached the highest point at 11 last night. Every business house was washed down. The convent of St. Joseph, A. O. U. W. hall, schoolhouse, express, telegraph and postoffice were leveled to the ground. The railroad and steamboat offices were swept into the Colorado river. The railroad icehouse and track at the foot of Main street is washed away. Five hundred men worked last night to save the property, but met with little success. The town and property are now guarded by members of the Yuma Rifles, who have been sworn in as deputy sheriffs. The water is now falling here, but reports of further rises have been received from above and the east, which, if correct, will entirely sweep Yuma away. The railroads both ways are impassable. All the country eastward for twenty miles is flooded.

A Lucky Plumber.
ASTORIA, Feb. 27.—July 1, 1889, R. E. Feecey proprietor of the Western World, at Seabeach Wash, homesteaded a seventy-three acre tract of tide land near by Seabeach. The land appreciated in value and he sold lots to the amount of \$5000. Parties tried to dispossess him, and the case has been in litigation ever since. Feecey's lawyer was wired tonight from Washington, D. C., that the commissioner of the general land office had this afternoon decided the case in Feecey's favor. Feecey is now setting type on the Tacoma Globe. The commissioner's decision makes him worth over a quarter of a million dollars. Feecey's lawyer gets a fee of \$10,000.

The Wrong Man.
LONDON, Feb. 27.—It is believed that the police will have to discharge Sadler, the man accused of the murder of "Carrot Nell." One of the best witnesses against Sadler died suddenly the other day, and there is very little testimony on which to ask for his commitment. The coroner, in summing up at the inquest today, spoke strongly in favor of Sadler's innocence and his charge will go a long way toward freeing him.

A Genuine Hurricane.
JACKSONVILLE, Fla., Feb. 27.—Yesterday afternoon the wind from the northward became a genuine northwesterly gale, the severest since 1872. It soon reached a velocity of fifty-six miles an hour, and then subsided gradually. Much damage to property in all parts of the city was done.

Pronounced Hopeless, Yet Saved.
From a letter written by Mrs. Ada E. Hurd of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends in earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. It gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman."
