I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, which I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

**Pronounced Hopeless, Yet Saved.**  
From a letter written by Mrs. Ada E. Hard of Graton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent one above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am a well and hearty woman." **WOMEN AND MICE.**  
The reason why a woman is afraid of a mouse is a profound mystery—indeed, it has never been very clearly proven that she is. But some women are constantly in such a nervous, irritable condition that the slightest thing annoys and startles them. The cause of this unfortunate state of affairs is usually some functional derangement, some derangement or peculiar weakness incident to her sex; or it may be due to inflammation, ulceration or displacement of some of the pelvic viscera, or to other organic lesions. "Favorite Prescription" is unequalled as a soothing and strengthening remedy, and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

## TELEGRAPHIC NEWS

**A Frightful Accident.**  
LONDON, March 11.—A dispatch from Tunis gives an account of a dreadful disaster at a place called Menzel, in the vicinity of Gabez. The children's service was in progress in the synagogue at that place, when, without warning, the whole congregation was buried beneath the fallen walls and roof. Within a short time fifty maimed and bleeding men and women and children were taken out and cared for, and four dead bodies, crushed out of all resemblance to humanity, were removed to the dead house. The number of killed cannot even be approximately estimated. It is known the building was crowded with people, and hundreds of dead bodies must still be buried beneath the tons of debris not yet removed.

**How It Happened.**  
SPRINGFIELD, Ill., March 11.—General Palmer was elected United States senator today on the first ballot, to succeed Charles B. Farwell. A verification of the call showed that every republican voted for Lindley, every democrat for Palmer; Moore and Cockrell for Palmer, and Tauboeck for Streeter.

"On this the 15th ballot," said Speaker Crafts, "the whole number of votes cast is 204; necessary to choice 103, of which John M. Palmer has received 103 votes [democratic cheers]; A J Streeter 1 vote, Cicero J Lindley 103 votes. And I hereby declare John M. Palmer duly elected United States senator."

Deafening applause from the democratic side of the galleries greeted the announcement.

**A Farmers' Alliance Victory.**  
COLUMBUS, O., March 11.—The Rowlings bill, amending the tax laws of Ohio so far that manufacturers cannot enjoy exemption from taxation on their product for one year after production as heretofore, passed the senate this afternoon and is now a law. The bill met the combined opposition of the manufacturers. It was a farmer's alliance measure and is a great victory for that organization.

**A Start Made.**  
SACRAMENTO, March 11.—The legislature in joint session today took one ballot for United States senator. Twelve candidates were voted for. Those receiving the highest number of votes were: Estee, 29; Goucher, 25; DeYoung, 24; Felton, 13. Necessary to a choice 59.

Goucher, Dem, who, under the democratic caucus arrangement, was substituted today for Ostrom, received the full democratic strength.
