

TEMPERANCE COLUMN.

Edited by Albany, W. C. T. U.

A very interesting meeting of the W C T U was held last Tuesday. One new member received. Some very important business was disposed of.

G W Bain will be in Portland in May. It is hoped he shall be able to have him lecture in Albany.

A payment of \$70 was ordered made on the debt of the hall.

The Church of Ireland Temperance Society has sent a circular letter to the clergy of that church, asking that temperance sermons be preached on the first Sunday in Lent, and an offertory be taken for the work of the society.

South America has but one regularly organized W C T U. It is in Concepcion, and does good work. Within a few months forty men have been induced to sign the total abstinence pledge. A Loyal Temperance Legion, numbering thirty-five, meets every two weeks.

Rev B Fay Mills, the "coming man" of the nation in evangelistic work, is pronounced on the prohibition question. Listen to him: "I would like to give a little sermon on temperance, and I would like to make it so plain that everybody could understand. Sometimes a person will insult me by asking me which side of the temperance or prohibition question I am on! Which side am I on? Well, you go to the drunkards and thieves, and burglars, and gamblers, and saloon keepers, and the makers of the accursed stuff, and find out which side they are on, and then put me down on the other side. Why is it that these accursed saloons exist today? Because men worship the god of hell. Suppose a man should come here today and take one of your fairest and brightest children, and by making a few passes over it convert it into an idiot; the whole community would be after him. Millions of dollars would not induce you to license him to do such a thing if he could do it in ten minutes, and it is only a question of five years, or possibly ten or twenty, and you will allow him to do that very thing, and for only a paltry few hundred dollars."

THE S. O. CORSET.—Imparts a most graceful shape, securing comfort and elegance. Every corset has the self-opening clasps. These clasps, simple in construction, have double the strength of the ordinary clasps, can be hooked and unhooked in the usual manner, and have the great advantage in the ease with which they can be unhooked, by merely pulling the string, and the corset will open like a flash. These clasps are so constructed that they will always stay securely fastened until the string is pulled. Any feeling of distress or discomfort from exertion, or any other cause, can thus be instantly relieved without disturbing, allowing healthful action of the body, to the great comfort of the wearer. G W SIMPSON, Sole Agent.

DREADFUL PSORIASIS  
Covering Entire Body with White Scales. Suffering Fearful. Cured by Cuticura.  
My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread over my head and my hair all fell out, until I was entirely bald-headed. It then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head, and shoulders being the worst. The white scales fell constantly from my head, shoulders, and arms; the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spending many hundreds of dollars, I was pronounced incurable. I read of the CUTICURA RESOLVENT, and after using two bottles CUTICURA RESOLVENT, I could see a change, and after I had taken four bottles, I was almost cured, and when I had used six bottles of CUTICURA RESOLVENT, one box of CUTICURA SOAP, and one box of CUTICURA OINTMENT, I was cured of the disease from which I had suffered for five years. I cannot express with a pen what a relief I experienced in the HEALING. They saved my life, and I would try duty to recommend them. My hair is restored to good as ever, and so is my eyesight.  
Mrs. ROSA KELLY, Rockwell City, Iowa.
