HEALTH IS WEALTH! THE CRY OF MILLIONS
OH, MY BACK!
STOP IT NOW,
BEFORE IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over when I got up, or to put on my clothes, which kind Providence sent Dr. Henry, with L. OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

Royal Baking Powder
ABSOLUTELY PURE

Pronounced Hopeless, Yet Saved.
From a letter written by Mrs. Ada E. Hurd of Graton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, coughs set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it gave me relief and thank God I am a well and hearty woman." WHICH WILL IT BE?
Which is the prettiest, a rose or a lily?
Which is the sweetest, a peach or a pear?
Merry's coquetry, and charming is Milly;
Dora is gentle and fair.
Blessed as a flower was her face when I kissed
(Love's the romance and glory of life),
Milly, my playmate, I love "like a sister."
But Dora I choose for my wife.

That is right, young man, marry the girl you love, by all means, if she will have you. Should her health become delicate and her beauty fade after marriage, remember that this is usually due to functional disturbance, weakness, irregularities, or painful disorders peculiar to her sex, in the cure of which Dr. Pierce's Favorite Prescription is guaranteed to give satisfaction, or money refunded. For the printed certificate of guarantee on bottle-wrapper.

For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cordial and restorative tonic, or strength-giver.

TELEGRAPHIC NEWS

A Burning City.
PANAMA, March 16.—H. M. S. Waspire is at Callao. The following was gleaned from her officers: The vessel left Iquiqui February 20, subsequent to the different events which led to the capture of that port by the rebels and the fire which caused the destruction of property valued at \$2,000,000. It appears that when the rebels captured the port the government troops took up a position some distance from it. The rebels returned on board leaving only fifty men in charge. The troops soon heard of this and marched on the place 200 strong under Colonel Soto. Firing commenced, and a short fusillade led the ships to promptly open fire. The Blanca, En Caldas, Esmeralda and Huascar used heavy guns, while the transports kept their mitrailleuses busily employed. Tremendous destruction followed, and the flames spread until the whole central part of Iquiqui, where the boat store and building were situated, was in ruins. Up to the 26th, when the Waspire left Iquiqui, the ruins are yet burning.

No Need of Trouble.
WASHINGTON, March 24.—The war department is taking advantage of the cessation of hostilities among the Indians of Dakota, has been engaged in gathering authentic information as to the probability of another outbreak this spring. Careful investigation has been made by officers serving as agents at Pine Ridge and Rosebud agencies, and their reports are not altogether reassuring. In substance, these officers assert that there need or need not be trouble, just as the government desire.

Piles Can be Cured.
Richard Bennett, Westfield, N. Y., writes: "For thirty-two years I suffered from piles, both internal and external, with all their attendant agonies, and like many others suffered from hemorrhoids. All these thirty-two years I had to cramp myself to pay doctors and druggists for stuff that was doing me little or no good. Finally I was urged by one who had had the same complaint, but had been cured by Brandreth's Pills, to try his cure. I did so, and began to improve, and for the past two years I have had no inconvenience from that terrible ailment."

WILL YOU SUFFER with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you.

Disorders that affect the Kidneys
Are among the most formidable known. Diabetes, Bright's disease, gravel and other complaints of the urinary organs are not curable in severe cases, but they may be averted by timely medication. A useful stimulant of the urinary glands has ever been found in Hostetter's Stomach Bitters, a medicine which not only affords the requisite stimulus when they become inactive, but it increases their vigor and secretory power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of these organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorator of the stomach, and a matchless remedy for biliousness and fever and ague. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.
