LEBANON.—Already there are four dwellings and two barns under construction, which is a very good beginning, considering the scarcity of lumber.

J. F. Myers, of Nebraska, who came to Lebanon Monday to organize a building and loan association, left Wednesday without having accomplished his purpose. [If you want to invest your money in such an association, organize one yourselves.—Eps.]

At a business meeting of the members of the Baptist church, Tuesday, the building committee was instructed to buy two lots of M. A. Miller, on Bridge avenue. A church costing \$1600 or \$1700 will be built this summer.

Wm. Costello, conductor on the first railroad train that ever pulled into Brownsville, was in Lebanon last Friday in the interest of a life insurance company.—Express.

### THE GOLDEN RULE BAZAAR.

Has a large and complete line of goods, dolls, doll buggies, boys' wagons, velocipedes and many other goods which go to make up a complete assortment, besides a complete line of lamps of every description, China crockery, fancy decorated ware, glassware, bird cages, plush goods, such as albums, toilet sets, autograph books, scrap books, children's A B C picture books, and all goods that are carried in a Bazaar store, including Roger Bros. 1847 silverware. We wish to call the attention of the public in particular to the Golden Rule prize baking powder and tea, put up expressly for this trade, which gives the best of satisfaction, as is attested by the hundreds who have used both the tea and baking powder ever since introduced by the Golden Rule Bazaar. Each package of ten and can of baking powder draws a prize in the shape of a fine piece of glassware. Be sure to call, when in Albany, at the Golden Rule Bazaar, as you will be sure to find what you want, and will be shown over the store and be treated kindly by my clerk, Mr. Miller. My goods are all marked in plain figures so as not to deceive anyone, and I have but one price to all.
