

IN MEMORY

Of Henry Morgan, who departed this life February 14th, 1891.

Death surely sought a shining mark
When it singled for its prey
The kind and noble hearted one
That he bore from us away.

He was his parents' pride and stay,
They feel they are bereft
Not only of a loving son,
Their counsellor too has left.

Their wheel is weak with that spoke gone,
But revolve again it will;
For He who calmed the angry waves,
Will no longer leave it still.

His brothers and his sister dear
They miss his precepts kind,
And mourn their loss which was his gain
Until him again they find.

No light beneath a bushel placed,
For it brightly shone for all;
The poor and needy felt its rays
Benignly on them fall.

And in my home where'er he could,
The Samaritan was he,
To help me through the troubled waves
That roll o'er a peaceful sea.

His creed was works, with him 'twas act,
He never stood idly by;
To see a human in distress
Called forth his kindest reply.

But he has gone, he's now at rest,
Freed from all these earthly cares;
Oh, no, we would not call him back,
Where all is beset with snares.

Then let us for him cease to weep,
Rather up and acting be,
So when like him we're called to go,
Footprints leave for all to see.

A NEIGHBOR.

DREADFUL PSORIASIS
Covering Entire Body with White
Scales. Suffering Fearful.
Cured by Cuticura.

My disease (psoriasis) first broke out on my left
cheek, spreading across my nose, and almost cov-
ering my face. It ran into my eyes, and the
physician was afraid I would lose my eyesight
altogether. It spread all over my head, and my
hair all fell out, until I was
entirely bald-headed; it then
broke out on my arms and
shoulders, and my arms were
just one sore. It covered my
entire body, my face, head,
and shoulders being the worst.
The white scales fell constantly
from my head, shoulders, and
arms; the skin would thicken
and be red and very itchy,
and would crack and bleed
if scratched. After spending
many hundreds of dollars, I
was pronounced incurable.
I heard of the CUTICURA REMEDY, and after using
two bottles CUTICURA REMEDY, I could see a
change; and after I had taken four bottles, I was
cured "cured," and when I had used six bottles of
CUTICURA REMEDY, one box of CUTICURA, and
one cake of CUTICURA SOAP, I was cured of the
dreadful disease from which I had suffered for five
years. I cannot express with a pen what I suffered
before using the REMEDY. They saved my life, and
I feel it my duty to recommend them. My hair is
restored as good as ever, and so is my eyesight.
Mrs. ROSA KELLY, Rockwell City, Iowa.
