

Edited by Albany, W. C. T. U.

Labor to keep alive in your breast that spark of celestial fire called conscience.

Mrs. Mary Bynon Reese, who has been in Florida the greater part of the winter, reports an appreciable advance in the W. C. T. U. of that land of orange groves.

Oakland, Ill., a town of less than 1,000 inhabitants, has a W. C. T. U. of 150 members, Mrs. Clara Carter president.

The course of lectures and lessons on "Physical Culture," given by Miss Lydia I. Newcomb, of the Michigan W. C. T. U., in Baltimore, Maryland, closed January 26, with a complimentary lecture on "How to Dress," tendered by the Baltimore City W. C. T. U. to self-supporting women.

The following is, says the Australian Sunday School Teacher, from a boy's essay on total abstinence: "I abstain from alcoholic drinks, because, if I would excel as a cricketer, Grace says, 'abstain' as a walker, Weston says, 'abstain' as an oarsman, Hanlon says, 'abstain' as a swimmer, Webb says, 'abstain' as an orator, Bright says, 'abstain' as a missionary, Livingstone says, 'abstain' as a doctor, Clark says, 'abstain' as a preacher, Farrar says, 'abstain' as a statesman, and I have heard a long speech with less in it."

Landlord—"Hush, hush! he'll call for a drink directly."

Landlord—"He is taking the shingles off his house and putting them on ours."

At this time James came to his right senses and commenced rubbing his eyes, and stretching himself, as if he had just awoke, said, "I believe I'll go."

"Oh, yes, I must go," said James, and he started.

After an absence of some weeks, the landlord met him, and accosted him with: "Hello, Jim! Why ain't you been down to see us?"

"Why, I had taken to many shingles off my house it began to leak, and I have been mending it," said James.

The tavern keeper and his wife were astonished, James is now a happy man, and his wife and children are happy too. Young man, whose house are you shingling?—Irish World.

August Flower

Mrs. Sarah M. Black of Seneca, Mo., during the past two years has been affected with Neuralgia of the Head, Stomach and Womb, and writes: "My food did not seem to strengthen me at all and my appetite was very variable. My face was yellow, my head dull, and I had such pains in my left side. In the morning when I got up I would have a flow of mucus in the mouth, and a bad, bitter taste. Sometimes my breath became short, and I had such queer, tumbling, palpitating sensations around the heart. I laced all day under the shoulder blades, in the left side, and down the back of my limbs. It seemed to be worse in the wet, cold weather of Winter and Spring; and whenever the spells came on, my feet and hands would turn cold, and I could get no sleep at all. I tried everywhere, and got no relief before using August Flower. Then the change came. It has done me a wonderful deal of good during the time I have taken it and is working a complete cure."

MORTAR-SPOTTED SKIN. Covered with Scules. Awful Spectacle. Cured in Five Weeks by the Cuticura Remedies.

ABOUT the 1st of April last I noticed some red pimples like coming out all over my body, but thought nothing of it until some time later, when I began to look like spots of mortar spotted on, and which were off in layers accompanied with itching. I would scratch myself until the scules were so thick that next night the scules were so thick that I could not see my face. It was in this way that I was afflicted with this disease for some time. After using Cuticura without relief, I purchased Cuticura Soap, and used it as directed, and in four or five weeks was cured. My disease was eczema and psoriasis. I would like to notice that the Cuticura Soap, and Cuticura, the great Skin Cure, and Cuticura Resolvent, the new Blood and Skin Purifier, are the only remedies that have cured me. I can now go to my work and my business as usual, and I am very grateful to you. My body was covered with scules, and I was in great pain. Now my skin is as clear as a baby's. GEO.
