MORTAR-SPOTTED SKIN

Covered with Scales. Awful Spectacle. Cured in Five Weeks by the Cuticura Remedies.

About the 1st of April last I noticed scarcely pimples like coming out all over my body, but thought nothing of it until some time later on, when it began to look like spots of mortar spotted on, and which came off in layers accompanied with itching. I would scratch every night until I was raw, then the next night the scales being formed meanwhile were scratched off again. In vain did I consult all the doctors in the county, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the newspaper about your CUTICURA REMEDIES, and purchased them from my druggist, and obtained almost immediate relief. I began to notice that the scaly eruption gradually dropped off and clear pearl one by one, until I had been fully cured. I had the disease thirteen months before I began taking the REMEDIES, and in four or five weeks was entirely cured. My disease was eczema and psoriasis. I know of a great many who have taken the REMEDIES, and thank me for the knowledge of them, especially mothers who have babies with scaly eruptions on their heads and bodies. I cannot express my thanks to you. My body was covered with scales, and I was an awful spectacle to behold. Now my skin is as clear as a baby's.
