STRICTURE! THE CRY OF MILLIONS
OH, MY BACK!
STOP IT NOW,
SOON IT WILL BE TOO LATE.

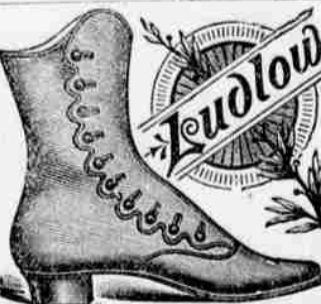

I have been troubled many years with
disease of the kidneys and have tried
many different remedies and have
sought aid from different physicians
without relief. About the 15th of April
I was suffering from a very violent
attack that almost prostrated me in
such a manner that I was bent over
and unable to get up, or to put on my clothes, when
kind Providence sent Dr. Healy, with his
OREGON KIDNEY TREATMENT, to my
aid. I immediately commenced
using the tea. It had an almost
miraculous effect, and to the astonish-
ment of all the guests at the hotel,
in a few days I am happy to state,
that I was a new man. I will
recommend the tea to all afflicted
as I have been.

TELEGRAPHIC NEWS

Rome News.
ROME, April 29.—Signor Imbriani, who stirred up a row with ex-Premier Crispi, a few weeks ago, created another great uproar in the chamber of deputies today. He charged the Italian government with permitting the African slave trade to be carried on openly, and also asserted that thirty-five girls taken from former owners, under the pretext of rescuing them from slavery, had been distributed among Italian army officers. Premier Rudini protested against such accusations without proof and the minister of war declared he would not remain in the house unless the charge was withdrawn. Such a tumult ensued that the sitting had to be suspended.

Fatal Accident.
THE DALLES, April 29.—Mrs. Tucker, wife of Dr. G. F. Tucker, of this city, daughter of Rev. Sperry of Brownsville, met with an accident while fishing on Mill creek yesterday afternoon. Her body was found in the creek by Dr. Tucker, life being already extinct. It is supposed that she fell from the bank, striking a rock in mid-stream, as the water is shallow and there is a slight contusion over the left temple.

An Anarchist War Coming.
PARIS, April 29.—A serious feeling of alarm prevails in official circles here at the possibility of an anarchist outbreak the 1st of May. As the result the military and police authorities are making the most extreme precautions and making every preparation possible to effectually meet and promptly suppress any disorder. Several violent anarchist manifestos, intended to incite the soldiers comprising the garrison of Paris and its neighborhood to revolt, have been recently circulated by the anarchists.

Markham Coming.
SAN FRANCISCO, April 29.—An evening paper says: The governor's staff have secured two cars and are waiting for orders from Adjutant General Allen to attach them to the presidential train. It is their intention, if the governor decides to accompany the President to Oregon here, to continue clear into Portland with him and present him there to Mayor DeLassnitz.

A Big Deal.
NEW YORK, April 29.—The Recorder says: The report that J. B. Haggis has sold the famous Ansonia copper mines to the Rothschilds for \$25,000,000 has been generally credited among metal men in this city. It is said that President Keyser, of the Baltimore Copper Company, will sail for Europe next Wednesday to complete negotiations.

Murder near Baker City.
BAKER CITY, April 29.—A homicide occurred yesterday morning at Gold Hill mine, eleven miles from this city, in which H. E. Delly was killed by S. J. Fore, who is charged with murder by the coroner's jury. The murderer is still at large. The difficulty arose over claim jumping indulged in by Delly.

Annie Firmin, with the Firm—Jack Dramatic Company, is the lady who craved the part of Mercy Merrick in Wilkie Collins' great drama, "The two Magdalene."

Cramps of the Muscles Cured.
John I. Wood, of Stratford, Ont., was cured of cramps in the legs by wearing Allcock's Porous Plaster. Mr. Wood says: "Some three months ago I was taken very sick with severe pain in the small of back over the kidneys. The pain was excruciating. I applied an Allcock's Porous Plaster over the affected region and had relief almost within an hour. At the same time, in conjunction with this trouble, I had very great nervous disturbance, affecting my legs with cramps so I could scarcely sleep. Meeting with such success with my back I applied plaster under the knee on each leg, and in three days was completely cured, and have never been troubled in either way since."
