Geo Flatman, a resident of the Bilyeu Den, near John Bryant's, had the misfortune last Monday evening, while slashing in a vine maple thicket, to strike one of his feet with an axe, nearly severing a portion of it.

Miss Gerlie Daley, who is attending school in Albany, came over Saturday and remained until Monday with the "old folks at home."—Press.

LEBANON.—Jacob Schmitt, living a few miles out of town, patronized the shell game last Saturday to the amount of about \$50. After the circus he repaired to the bank to deposit for safe keeping, notes to the amount of \$50. On entering the bank he reached for his wallet containing the notes, but found it was missing. Search was made, and notwithstanding a reward of \$25 was offered for the recovery of the wallet, it has not been found to date.

It is a fact—and don't you forget it!—that an editor can't make a paper; a community makes just such a paper as it wants and will properly support.

C F Wright and family, who went to Michigan a few months ago, are again living in Harrisburg, having returned last Monday. One by one the "prodigal sons" return to this beautiful country, which has its drawbacks, to be sure, but which can not be excelled.—Courier.

Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and the misery is yours; and until you are willing to believe, and spend the one for the relief of the other, they will stay so. John H. Foster, 1122 Brown Street, Philadelphia, says: "My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower have cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Baton Rouge, Mich., and he directed him for two weeks, and he had worse than the first, and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I bought Cuticura Remedies and did not have any more trouble. My baby is now as healthy as a horse, and his skin is as smooth as silk. There was not a spot on his whole body, face, and head, only his nose and ears, but what was as raw as lead. His poor little face was not anything but a mass of sores, and he could not eat, and he would not sleep. He could not raise neither hand nor foot. Mrs. FRANK BARRETT, Winfield, Mich.
