RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich, and he cured him for me.

Since we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was a spot on his whole body, face, and head, only his eyes were clear, but what was as raw as beefsteak. Do you know of any other medicine that would cure such a disease, from pimples to scrofula, from infancy to age, when the best physicians fail.

Sold everywhere. Price, Cuticura, 50c; Soap, 25c. Preparing, etc. Prepared by the FORTIN BROS. AND CHEMICAL COMPANY, Boston, Mass. See ad for "How to Cure Skin Diseases."

BABY'S Skin and Scalp purified and beautified by CUTICURA SOAP. Absolutely pure.

RHEUMATIC PAINS. In one minute the Cuticura Anti-Pain Plaster relieves rheumatic colic, neuralgia, sciatic, sciatic, chest, and muscular pains and weaknesses. Price, 25c.

"August Flower"

What is it For?

This is the query perpetually on your little boy's lips. And he is no worse than the bigger, older, balder-headed boys. Life is an interrogation point. "What is it for?" we continually cry from the cradle to the grave. So with this little introductory sermon we turn and ask: "What is AUGUST FLOWER FOR?" As easily answered as asked: It is for Dyspepsia. It is a special remedy for the Stomach and Liver. Nothing more than this; but this triuful. We have reasons for knowing it. Twenty years ago it started in a small country town. To-day it has an honored place in every city and country store, possesses one of the largest manufacturing plants in the country and sells everywhere. Why is this? The reason is as simple as a child's thought. It is honest, does one thing, and does it right along—it cures Dyspepsia.
