RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the best doctors, and they could do nothing for him. Then we sent for the best doctor in Easton Rapids, Mich., and he diagnosed the case as being eczema, and he ordered me to use Cuticura. I did so, and in two weeks, and he was all right. I then took him to Jackson, to a doctor who attends especially to skin diseases, and when he got worse than ever. Then I sent my husband what letter they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would never be bald-headed. There was not a mark on his whole body, face, and head, only his nose and ears, but what was as raw as beef-steak. He now grows as fast as any other baby, and so we will send you not anything but honest, and so we will send you not anything but honest, and so we will send you not anything but honest.

"August Flower"

Mrs. Sarah M. Black of Seneca, Mo., during the past two years has been afflicted with Neuralgia of the Head, Stomach and Womb, and writes: "My food did not seem to strengthen me at all and my appetite was very variable. My face was yellow, my head dull, and I had such pains in my left side. In the morning when I got up I would have a flow of mucus in the mouth, and a bad, bitter taste. Sometimes my breath became short, and I had such queer, tumbling, palpitating sensations around the heart. I ached all day under the shoulder blades, in the left side, and down the back of my limbs. It seemed to be worse in the wet, cold weather of Winter and Spring; and whenever the spells came on, my feet and hands would turn cold, and I could get no sleep at all. I tried everywhere, and got no relief before using August Flower. Then the change came. It has done me a wonderful deal of good during the time I have taken it and is working a complete cure."

Judges of the horse have given it as their opinion, that Titus, Blumberg's black Percheron stallion, stands at the head in his class. He is in the hands of Mr C E Barrows, an efficient and experienced horseman, who will give his patrons every possible attention. Titus will make the season of 1901, Mondays and Tuesdays at Jefferson; Wednesdays and Thursdays at Seb; Fridays and Saturdays at Albany.

Mr Blumberg is also owner of the standard bred trotting horse, Alwood Breeze, (No 2803), who can be seen at the stable of Titus Bros. The get of this horse are large and fine formed, and only need proper development to show speed.
