CITY OFFICIAL PAPER.

LOCAL RECORD.

Additional Locals on 4th Page.

WHY DON'T THEY ACCEPT?—Probably the only reason the Albany baseball club has for not accepting the challenge of the Linns is fear of defeat.

THE LINNS ARE COMPOSED ENTIRELY OF LOCAL PLAYERS and the Albany baseball club should make them play ball or quit bluffing.

MANAGER COWAN SHOULD EITHER PLAY HIMSELF or take them off the diamond.

THE BUSINESS MEN OF ALBANY HAVE BEEN SUPPORTING THEM TO PLAY ALL CLUBS IN LINN county if not outside clubs; and they should either play ball or crawl out of their uniforms and give all their belongings to the Linns.

THE BUSINESS MEN OF ALBANY HAVE RESPONDED GENEROUSLY TO THE support of the Albany club and expect them to play ball and maintain their distinction as the first nine.

A SUPPORTER OF A. B. B. CLUB.

BACK FROM EUROPE.—Capt Chadwick and Albert Ray, of the Bay, were in the city today on their way to Portland.

MR RAY RECENTLY RETURNED FROM A TRIP TO THE East and Europe, while gone selling 125 Yaquina lots to people even in France and Germany.

HE FOUND THAT NEARLY EVERYWHERE PEOPLE KNEW ABOUT YAQUINA Bay who never had heard of Salem, Eugene and Albany, owing to its being the terminus of the Oregon Pacific.

THIS ROAD, AND THE MEN WHO HAVE IT SO FAR, have done more to advertise this part of Oregon than any other single thing, a fact not appreciated by many.

TO SERVEY SLEETZ.—Mr J A Warner, of Albany, arrived here on Monday's train, leaving on Tuesday morning for the Sleetz reservation, where he goes to survey the lands specially allotted to the Indians.

MR WARNER IS THE RIGHT MAN FOR THE PLACE, as he surveyed a large portion of this country for the government years ago, and is familiar with it from the Alsea northward. He is an excellent surveyor.—Toledo Post.

AT THE BAY.—Every house in Newport is said to be occupied, not a vacant house being found in the city, except on Nye creek.

A FEW WEEKS AGO A VERY BAD BOY ENTERED two or three of the Albany cottages and stole and smashed things generally. He also did up Mrs Cook's cottage, breaking things and stealing a number of articles.

TWO IN ONE FAMILY.—Mrs Ida Driver, of Brownsville, has brought a divorce suit against her husband, Jas W Driver.

THE DEFENDANT IS A SON OF THE WELL-KNOWN Rev I D Driver. A daughter of Rev Driver also has a divorce suit to be disposed of in the next circuit court, making two cases in one family.

YAN HURRAHS!—The 4th of July will be celebrated at Newport in grand style with Hon John Caples, one of Oregon's most eloquent and graceful speakers, as orator of the day.

THE STATE TEACHERS' association will meet at the same place on June 30th and hold until the 4th of July. "Ror.—Post.

PATRIARCH'S ATTENTION!—A special meeting of Oregon's Encampment, No 5, O O F, will be held Saturday evening, May 16, at 8 o'clock sharp. Let every Patriarch be present. Geo W Wagner, Senior Warden.

WHAT'S LEFT.—That is the name of a new mining claim in the Calapooia mines, each side of Poorman mine. J P Wolfe, locator. Located May 8, 1891. Filed May 12.

A THIEF ARRESTED.—A man passing along by P Cohen's store this afternoon picked up a pair of overalls on display and carried them off, but John Hoffman with the "high of a heagle" saw him and carried him off to the city jail.

STRAWBERRIES AND CHERRIES.—The finest berries and cherries in the city were received by Mueller & Garrett, the leading grocers. Don't fail to secure some for your Sunday dinner.

STEAMER ARRIVAL.—The steamer Wilhelmina Valley arrived at Yaquina this morning at 6:30 and the freight was transferred to the freight and will be brought in tonight.

NEW CARPETS.—A B McIlwain has one of the largest and best selected lines of carpets in the city, embracing all new patterns and designs, and as he has made a great reduction in prices it will be to the advantage of carpet buyers to call and inspect his stock and prices before purchasing.

FOR SALE.—One pair of white rats. Inquire at this office.

W. F. Read keeps the best assortment of any goods in town.

Don't forget, Paisley & Smiley, Printers.

LACE CURTAINS in great variety from 75 cts. to \$9 a pair. These goods are bought from New York jobbers direct and cannot be excelled for quality, style and price. SAMUEL E. YOUNG.

Remember Paisley & Smiley, Printers.

A new line of window shades from 50 cts. to \$1.50 each complete, at Samuel E. Young's.

Fresh bread, cakes, pies, etc., every day at the Delmonico restaurant. Leave your orders.

Keep it in your mind that Allen Bros. please keep the kind of groceries the public wants. Their stock is a fine one.

Scio.—A few days ago we were shown some pen work by Geo L Sutherland that equals if not surpasses anything we have seen in that line for a long time.

The work consists of a tribute of respect of the Masonic fraternity of this city to the late William Cyrus, and the copy was prepared by Mr Sutherland at their instance to be presented to Mrs Margaret Cyrus, the widow of their departed brother. The souvenir covers a full sheet of cardboard and is embellished with Masonic emblems, figures, etc., done exclusively with the pen.

Tuesday was a red letter day in Recorder Shelton's court in this city. At 1 p m E J Daley was brought before his honor, charged with calling A J Houston vile and obscene names. The charge was not sustained and the accused was liberated. About half past 3 o'clock a row occurred in S M Daniel's store between O Serling and a Portland Jew named Metger. The difficulty grew out of a former difference between them in Portland, and Mr Serling proceeded to, as he stated it, renew his acquaintance with Metger. The complaining witness covered with gore looked as though he had been rather roughly dealt with. Mr Serling was fined \$5 and costs, amounting to \$7.—Press.

LEBANON.—G M Westall has sold the Sweet Home stage line to Wm Carothers. Mr Carothers made his initial trip Monday.

Dr F P Matchett, formerly of this place, is now located in Walla Walla, Idaho where he has full charge of the miners union hospital. Dr Matchett has risen rapidly in his profession since he began practice a little over a year ago.

The "Greys" acknowledged that they were badly beaten in the ball game last Saturday. Their defeat is attributed to nine different causes. To hear the players, individually, record their exploits on this occasion you would conclude that the "Greys" were invincible.

The Sodaville spring has been greatly improved of late. We have drunk of its waters and know whereof we speak. The enterprising citizens of the town are building good walks, will build a shady retreat within the enclosure and will be prepared to entertain visitors right royally this summer.—Express.

BASE BALL.—A meeting of the Mascot Base Ball club will be held at the store of Mueller & Garrett tonight at 8:30 o'clock.

The Albany club has received an application from Slauon, the pitcher just released from the Spokanes, to play with Albany; but Albany is not in a position to pay big salaries and will probably not sign him.

A game of ball is being arranged between a picked nine of Albany with the Corvallis club for next Sunday at the latter city.

Yesterday the Salem club beat the Chemawa nine 12 to 4. Time of game, 1:45. At the end of five innings the score was 3 to 1.

In the Lebanon—Albany game to morrow afternoon watch the foul flags.

AN IDEA.—"Turn that wrapping paper the other side out," said a lady in a dry goods store, as the clerk was putting up her purchase in a printed wrapping paper.

"I don't want to be a walking advertisement for your store. I read the papers, and I think that in them is the place to advertise your business. Instead of asking your customers to carry your sign around with each purchase of goods sign and tell the people through the papers what you have to sell and how you sell it."—Ex.

As a matter of fact such merchants also use the papers. A man has a right to advertise in different ways, though, of course the newspaper is the best medium.

WILL ADVERTISE THEM.—The Eugene Guard says: "The Lane County Pomona Grange recently resolved that the list of delinquent taxpayers should be published, and appointed a committee to meet the commissioners' court and ask for the publication. The committee performed the duty assigned them and the court made the order. The delinquent list runs back to 1885. The names of taxpayers delinquent for that year will be published in the Eugene newspapers next week and the week thereafter, with the amounts due the county. The succeeding years will be published in the order in which they come two issues each."

RIGHT TO THE POINT.—Allen Bros. do their own delivering, promptly and carefully.

Fresh peas, strawberries, cabbages, etc., just received at Allen Bros.

To get fresh produce, fruit, etc., always call at Allen Bros.

The Building & Loan Association meets at the Oregon Bank tonight.

Sound Advice.—It pays to get the best; even Shakespeare admitted that. In this connection it may be remarked that W R Graham has just received an elegant line of suitings for the spring and summer, never surpassed in an Albany market. They are the best to be obtained, as an inspection will show, and Mr Graham is prepared to make them up in the latest style with a skill his long experience has enabled him to be master of.

Rev G B Douglas, of Dayton Washington, editor of the Baptist Sentinel, published at that place, will preach at Oak Creek Baptist church, seven miles south of this city next Sunday morning. The public are cordially invited.

Judge Strahan arrived this noon from Pendleton, where Circuit Court has been in session for a week or two.

Mr and Mrs Al Wolverton, of Spokane, returned to Albany yesterday by way of the river from a visit with Polk county friends.

Albany should have a lawn tennis club. A city that can produce five base ball clubs ought to be able to stand one lawn tennis club.

Mrs Gaidworthy, who left this city Saturday morning for Mineral Point, Wisconsin, telegraphs that she arrived in good shape yesterday morning.

J W Hazelton went to the mines yesterday, with a large supply of provisions for the mines. The results of the first clean up will be watched with interest.

L Viereck and family returned yesterday from a trip through Polk and Yamhill counties, visiting most of the leading cities in those counties. They report a delightful experience.

Rev T J Wilson has retired from the real estate business in Albany and will devote his time to his fruit farm in the country, residing in Albany, though.

Tonight the Young Peoples Society of the Baptist church will hold a social, when reports will be heard from delegates to the State convention.

Miss Sadie Cohen leaves to-morrow for Portland to resume her studies in short hand in Holmes Business College. Miss Sadie is becoming quite proficient and reported Harrison's speech in this city with ease.

A meeting of the Christian Endeavor Societies of the city will be held at the U P church, tonight at 7:30 o'clock, to hear the report of the committee on constitution, and make arrangements for permanent work.

Judge M L Pipes, of Corvallis, was in the city this forenoon on his way home from Empire City, Coos county. He reports work progressing on the grading of the new railroad there. Already several suits have been begun to condemn rights of way there.

Miss Susie Martin, who has been attending school here the past winter, left on last night's overland for her home at Ashland. A surprise farewell party was given her last evening by her young friends, at the home of Mr N H Allen. A pleasant evening is reported.

A reception was tendered Rev A J McLeod, the new pastor of the Congregational church, last evening. An excellent repast of ice cream, cake and hot coffee, such as the ladies of that church are experts in preparing, was served. In case of permanent arrangements Rev McLeod's family will move to Albany also.

Mr Albert Bond was in the city to-day, and while here attended to some business before Recorder Henton, having become slightly intoxicated or more so. It will be remembered that an order was issued awhile ago for the city saloon keepers not to sell him liquor. Mr Bond states that they did not; that he got it in the country.

A FINE ATLAS.—Mrs Talt, of this city, has shown us the latest revised edition of Cram's Atlas for which she is now canvassing. This is a book of 298 pages. Among the new features are 31 maps of the 31 principal cities of the U. S. The maps of the several states and foreign countries are enlarged and perfected. A brief history of political parties since the formation of the government. The statistical tables alone are worth the price of the book. Here we have an outline of the life of each president, date of election, time of service, with date and place of birth and death, important inventions, exemption laws, interest laws, religious denominations, railroad mileage, highest mountains, longest rivers and many other tables too numerous to mention. Taken altogether it is a most valuable publication and should be in the hands of every family.

PRESIDENTIAL PARTIES, and all kinds of parties and people, would do well to buy their Groceries and Produce of Conn & Hendrickson, who carry first-class stock of the best and freshest in the market, and an examination of their prices will also prove the cheapest. Prompt attention, good goods and full weight is their rule.

HAVE YOU A WIFE and ten children; have you any children; are you an old bachelor? Whatever you are you can do better than by buying your groceries, produce and baked goods of Parker Bros. You want to save money and at the same time get good groceries, then call on them. You will get first-class treatment and first-class goods. Their baked goods are made in an experienced manner, and include a large variety of eatables.

AVOID THE RUSH.—Call early at Mueller & Garrett's each day and buy the leader to be given to the cash trade of this city. Money is king. We intend to sell bargains for cash. Mueller & Garrett.

AT FORTMILLER & IRVING'S.—150 dozen window shades, just received. A large and elegant stock of 16th century bedroom sets. A large and choice lot of carpets, many fine designs.

WALL PAPER, ETC.—I have just received a new line of wall paper and decorations. Have more than doubled my facilities for handling them, and will keep a much larger stock. Wall paper and border to match. Beautiful, and much cheaper than ever before. SAMUEL E. YOUNG.

One half dollar reduction on every pair of Ludlow's fine shoes. A good line of them at S E Young's.

MISCELLANEOUS.

More than any other agricultural industry, now, Linn county needs the establishment and development of small fruit farms. This should be made an issue.

There are people who will have their heads examined by itinerant phrenologists, paying \$1 therefor to see what is in them, who cannot be induced to pay their newspaper, grocery and meat bills. What they need is to have their pockets examined and then ordered pinned up.

A family arrived here from Iowa last week who had shipped a car load of goods and prepaid the freight charges. The car is now held at Portland for \$160 additional freight charges. The reason is the car, when shipped, was billed at 20,000 pounds but when weighed was found to contain 25,000 pounds, and the charges are on the extra 5,000 pounds.—Eugene Register.

J M McCollum, formerly of Junction City, but now editor of the Gervais Star, recently published an article regarding the lynching of Hunt by soldiers at Walla Walla, and stated that most of the U S soldiers are low bred and vicious. He has received word from the "vigilance committee" of Vancouver, Wash., that he must retract his statement and apologize or they will "do him up."

Frequently people come to Albany with cheap John stocks of goods, open a store, scatter a few 6x8 posters around in the mud, shunning the newspaper offices like poison, and in a week or two begin growling about the city being dead, and they didn't do so back east. In a month or two after having sold \$10 worth of goods a week, they shake the dust of the city off their feet, with a face a mile long and leave cursing the town. This is also the experience at Salem, Eugene and Corvallis.

There were two fire alarms last evening in quick succession, the first for a small blaze in Harlan Hulbert's barn at 6th and Jackson streets, easily extinguished with buckets of water, and the second for a fire in the wood shed in the rear of the Journal office, next to the shed in which a fire started Wednesday night. Both evidently the work of a fire bug.
