## TELEGRAPHIC NEWS

The Great Railroad.  
UNION, Or May 15.—Yesterday Dr. J. B.  
Mahana, president and manager of the Single  
Rail and Saddle Car. Railroad Company, of  
this city, arrived in the east in the interests  
of several months in the past in the interests  
of the new system of railroads. A meeting of  
the board of directors was held last night  
and today, at which the manager showed  
that the system had been generally approved  
since leaving here for Washington, where he  
went to secure patents on the invention—  
Four patents, covering the entire system have  
been secured, and at a meeting last night were  
formally turned over to the company.

Oregon will Build It.  
PORTLAND, May 15.—The United States  
attorney general having decided against the  
expenditure of the money of the national  
government for the construction of a tempo-  
rary portage around the Cascades, the state  
of Oregon has decided to build. At a meet-  
ing of the board of portage commissioners ap-  
pointed by the legislature at Salem, yes-  
terday, the conditions imposed by the secre-  
tary of war were accepted, and the clerk was  
instructed to notify Major Handbury, of the  
United States engineer corps immediately and  
to telegraph the action of the board to Senator  
Dolph at Washington.

Just Like Prize Fighters.  
DENVER, May 15.—After the performance  
was over last night John L. Sullivan, who is  
playing in the city, went out to have a time  
with the boys. He wound up in Murphy's  
exchange where he met Pat Allen, a Colorado  
pugilist. He asked him if he thought he could  
fight and without waiting a reply proceeded  
to "do up" Allen in the most approved style.  
The men were separated, but not before Allen  
had been knocked down twice. Sullivan was  
taken home by friends.

Will not be Caught.  
SAN FRANCISCO, May 15.—An officer of  
the Omaha makes a statement of some interest  
in connection with the possible movement of  
the Itata. He says that the Itata took on  
sufficient coal at San Diego to carry her to  
Chili, and there is no reason, therefore, why  
she should not in any port south of Chili.

A Cabinet Short.  
WASHINGTON, May 16.—A rumor which  
has more than the ordinary credibility in such  
matters, says that Senator Edmunds will be  
made minister to England and that Robert T.  
Lincoln, now in that position, will be made  
secretary of war.

Don't go off before you are Ready.  
Patience on a long journey. Be fully  
prepared. You cannot be permit us to say,  
unless you are accompanied with the travel-  
ers' and ton, it's your success. Doctors'  
Stomach Bitters, most potent of appetizers,  
stimulants and protectors of digestion,  
Against seasickness, malaria, cramps and  
colic, is gotten of body cooked or unwhol-  
some food and brackish water, nervousness,  
increased by travel, chronic biliousness and  
constipation. It is a sovereign pre-  
ventive. It imparts a relish for food not al-  
together to your taste, and prevents it from  
disagreeing with you. Never was there such  
a capital thing for the unfortunate travel-  
er who stands in dread of the best cooked  
meal. Stomach trouble caused by ill  
prepared viands aboard ship, on steamboats  
and railroads, is most remedied by the Bitters,  
which gives a quietus also to rheumatism,  
kidney troubles and isemia.
