TEMPERANCE COLUMN.

Edited by Albany W. C. T. U

Col Bain, Kentucky's great orator, is having fine audiences in Portland. The people of Albany will have the pleasure of hearing him here in the near future.

The state convention of the W C T U will convene in Portland next Saturday, May 23rd. Program for that day being the same as the first day last year, prayer and meeting of the state executive.

The convention proper will convene Monday morning, at 8:30 o'clock, continuing until Tuesday night. Monday evening will be occupied with address of welcome, response and annual address of the president.

Tuesday evening will be "Y" evening, with an address by Mrs Maj Scott, a member of the W C T U National Lecture Bureau.

There will be a school of methods during the convention in charge of Mrs Narcissa White Kinney, of Astoria.

Immediately following the convention, beginning Wednesday morning, a Pacific Coast Conference will open. Delegates to this meeting are reported as coming not only from Oregon, but also Washington, New Mexico, Utah, Idaho, California, and possibly from Colorado and Montana.

The day sessions of the conference will consist of addresses and discussions by delegates. The evenings will be occupied with mass meetings, addressed by Col Bain and lady delegates. The National Corresponding Secretary, Mrs C B Buell, of Evanston, Ill, and the National Treasurer, Miss Esther Pugh, of Chicago, will be in attendance. Also Mrs Emily Pitt Stevens and Mrs H L Adams, two organizers, who for sometime has been working in Oregon, lecturing and organizing new unions.

A grand, good time is in prospect which we hope will result in much good.

RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way, did not have any hope they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, only his nose and eyes, but what was as raw as beef-steak. So poor there was not anything but bones, and so weak he could raise neither hand nor head.

Mrs. FRANK BARRETT, Winfield, Mich.

Thus the CUTICURA REMEDIES cure every species of humor, from pimples to scrofula, from infancy to age, when the best physicians fail.

"German Syrup"

Croup. We have selected two or three lines from letters freshly received from parents who have given German Syrup to their children in the emergencies of Croup. You will credit these, because they come from good, substantial people, happy in finding what so many families lack—a medicine containing no evil drug, which mother can administer with confidence to the little ones in their most critical hours, safe and sure that it will carry them through.

ED. I. WILLITS, of Alma, Neb. I give it to my children when troubled with Croup and never saw any preparation act like it. It is simply miraculous.

Mrs. JAS. W. KIRK, Daughters' College, Harrodsburg, Ky. I have depended upon it in attacks of Croup with my little daughter, and find it an invaluable remedy.

Fully one-half of our customers are mothers who use Boschee's German Syrup among their children. A medicine to be successful with the little folks must be a treatment for the sudden and terrible foes of childhood, whooping cough, croup, diphtheria and the dangerous inflammations of delicate throats and lungs. ©

Judges of the horse have given it as their opinion, that Titus, Blumberg's black Percheron stallion, stands at the head in his class. He is in the hands of Mr C E Barrows, an efficient and experienced horseman, who will give his patrons every possible attention. Titus will make the season of 1891, Mondays and Tuesdays at Jefferson; Wednesdays and Thursdays at Scio; Fridays and Saturdays at Albany.

Mr Blumberg is also owner of the standard bred trotting horse, Atwood Breeze, (No 2863), who can be seen at the stable of Trites Bros. The get of this horse are large and fine formed, and only need proper development to show speed.
