HEALTH IS WEALTH! THE CRY OF MILLIONS

OH, MY BACK! STOP IT NOW, SOON IT WILL BE TOO LATE!

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over when I got up, and it was almost impossible for me to get up alone, or to put on my clothes, when I immediately commenced using the tea, it had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. Osmond, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

Dr. J. F. Kitchener, Conway, Ark.

"Castoria is as well adapted to children that I recommend it as superior to any prescription known to me."

H. A. Archer, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Reliable and Always the Same.

Franklin's pills are the oldest, safest and best of all purgative and cathartic. They are purely vegetable, therefore harmless. They are always the same and always produce the same effect. Other purgatives require increased doses and finally cease acting altogether. A course of one or two of Franklin's pills taken each night is a positive cure for constipation, headache and all bilious disorders. If you can't take them plain get them sugar coated.

TELEGRAPHIC NEWS

A Fire at Huntington.

HUNTINGTON, Or., June 1.—A serious conflagration visited the city shortly after 12 o'clock this noon. The fire started in the barn of Izenhoffer & Cropper, butchers, quickly consuming it and their meat market and setting fire to the Chinese store of Chung Lou, the dwelling house of George Danlap, blacksmith, and also the new Commercial hotel, owned by Burnham & Williams, completely destroying them. When the fire reached Fifer's general merchandise store it was checked by that cement building from crossing the street, thereby saving the upper end of town. The estimated damages are about \$10,000; no insurance. The cause of the fire is unknown.

Beats California.

CONSTANTINOPLE, June 1.—A party of brigands near Tchereski yesterday placed obstructions across the railroad track and derailed the Eastern express. They found several German and English tourists among the passengers. One of them was a banker of Berlin. The brigands demanded \$40,000 as a ransom for the captives, and Chancellor von Caprivi telegraphed the German ambassador here authorizing him to advance the amount. The remaining passengers were despoiled of their belongings and then left alone. The place where the act of brigandage occurred lies between this city and Adrianople.

Big Wages.

ELLENBURGH, June 1.—A man named Tweet came in this morning from Seauk, bringing fifty nine ounces of gold, the result of three days work with a hand mortar. The gold is worth about \$15 50 per ounce, or over \$900 for the lump. This yield was secured with a very limited quantity of water. The find created considerable talk about town. From Tweet's description of the ground from which the gold was taken many believe a mother lode has been found. A movement is already on foot to secure this specimen for the world's fair.

Football Lovers.

GALENA, Ill June 1.—Two youthful lovers, Miss Ida Townsend and Elmer Foster, living in Rush township, this county, committed suicide last night. They had been out for a drive and returned late in the evening. The girls mother entered the room to call her this morning and found both dead. The young man was on the bed and the girl on the floor, to which she had fallen in her agony. They had taken strychnine. The girl's father is wealthy, and Foster was a farm hand. It is said the parents opposed their union.

Enterprise on top.

CHENEY, Wash June 1.—The town tonight is jubilant over the result of the city election held today. The non-progressive element were badly defeated, although they did some hard work. Hon D. F. Percival was re-elected mayor over Dr. Turner by a vote of three to one. The old council were re-elected in full. The streets are crowded, unruly and cannon are being boomed and enthusiasm runs high.

Even Outcomes Combined.

AKRON, O June 1.—Incorporation papers were filed at Columbus today for the Consolidated Oatmeal Company, with capital stock of \$3,500,000. All the oatmeal mills of the country are to be brought under one management.
