

Scio will celebrate the 4th of July, O S May will be the President of the day, Henry Cyrus, Marshal, Mayor Cowan is Vice President from Albany. There will be races, fireworks, etc.

Dr G B Cole, of LaSalle, Ill., arrived in this city on Wednesday. The Dr is looking for a location, and is visiting Scio with that purpose in view.

Two prominent physicians of this city indulged in a war of words and one or two blows last Sunday. The trouble was caused by certain scandalous talk that has been going on for some time.

Dr E O Hyde returned last Saturday from Portland, where he appeared before the state board of physicians, Drs Dickens, Brown and Walker, for examination for a state license to practice medicine.

Peter Strauser and Mr Rodney, who live in the hills northeast of town, and who are neighbors, have had some difficulty in the past concerning the trespassing of some hogs. Last week the difficulty culminated in a personal encounter, in which blows were struck. On Monday Mr Rodney was arrested upon a complaint sworn out from Justice Williams' court and brought before his honor, when he plead guilty to assault and battery. Judge Williams assessed the fine at five dollars and costs. —Press.

# German Syrup

**A Cough and Croup Medicine.** For children a medicine should be absolutely reliable. A mother must be able to pin her faith to it as to her Bible. It must contain nothing violent, uncertain, or dangerous. It must be standard in material and manufacture. It must be plain and simple to administer; easy and pleasant to take. The child must like it. It must be prompt in action, giving immediate relief, as children's troubles come quick, grow fast, and end fatally or otherwise in a very short time. It must not only relieve quick but bring them around quick, as children chafe and fret and spoil their constitutions under long confinement. It must do its work in moderate doses. A large quantity of medicine in a child is not desirable. It must not interfere with the child's spirits, appetite or general health. These things suit old as well as young folks, and make Boscbee's German Syrup the favorite family medicine.

Judges of the horse have given it as their opinion, that Titus, Blumberg's black Percheron stallion, stands at the head in his class. He is in the hands of Mr C E Barrows, an efficient and experienced horseman, who will give his patrons every possible attention. Titus will make the season of 1891, Mondays and Tuesdays at Jefferson; Wednesdays and Thursdays at Scio; Fridays and Saturdays at Albany.

Mr Blumberg is also owner of the standard bred trotting horse, Alwood Breeds, (No 2303), who can be seen at the stable of Trites Bros. The get of this horse are large and fine formed, and only need proper development to show speed.
