The Road to Wealth

Cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. HENLEY'S

English Dandelion Tonic

exerts a specific influence over the liver, excites it to healthy action, resolves its chronic engorgements, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.

PRESTON'S HEDAKE — CURES ANY HEADACHE "While You Wait," BUT CURES NOTHING ELSE.

What is CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Brandreth's pills are the oldest, safest and best blood purifier and purgative known. They are purely vegetable, therefore harmless. They are always the same and always produce the same effect. HINTS TO HOUSE KEEPERS.

All jellies and preserves should be put in the jars while lukewarm, as the jelly or syrup, if it be thick, breaks after it becomes cold; the jars should be left open till the next day.

Glass jars of a small size, or large tumblers are better for preserves than china, for should they not keep well it can be detected immediately.

Pictures are now frequently hung with ribbons of a color harmonizing with the decorative motive of the room.

To wash Madras curtains, beat and shake out the dust very thoroughly, and then wash in bran water. Boil a quart of bran in a bucketful of water, strain, and put the curtains in while it is yet moderately warm. Rinse in more bran water and hang up smoothly in the shade to dry. Press them on the wrong side with a not very hot iron.

If you have boiled potatoes left over, a very nice way to use them a second time is this: Grate them into the dish they are to be served in, put bits of butter here and there, and dust a little fine salt over them; then put them in a hot oven for five minutes.

A good way to discover the presence of moths, and also to destroy them, is to place a lighted candle in a basin of water. The moths will be attracted by the flame, and will drop into the water.

To bake potatoes, wash them very clean, dry them with a towel and lay them in a good oven. They will need about two hours to get done. By baking them you get all the nutriment they contain. They are also the most wholesome, since in baking, a part of their starch is already turned into sugar, and thus some of the work to be done by digestion is performed beforehand.

Rhubarb stewed without sugar is of a most attractive pink tint. Pound for pound of sugar and rhubarb, with just water enough to dissolve the sugar, is a good rule, and it should be cooked only till the rhubarb is tender.
