CITY OFFICIAL PAPER.

LOCAL RECORD.

Additional Local on 4th Page.

THE FIRST FLEW yesterday evening in the game between No 1's and No 2's. It was an exciting contest from beginning to end. All the same as in theatrical performances, at an affecting moment, No 1's mascot, Chas Metzger, brought his hand organ to work. Three or four players retired during the game, but were promptly replaced by a strong reserve force. At the end of four innings the score 14 to 6, in favor of No 1's. In the fifth inning No 2's made the fire fly, and even Austin Crowder hit the ball, resulting in 12 runs being made. Seven innings were played. No 1's made their runs like this: 2 1 3 3 2 0 1-20, and No 2's thusly: 0 4 0 2 12 0 0-18. Under professional rules No 1's did not need to go to the bat as they were already in the lead, but they were warmed up and wanted the fan. George Morehouse umpired the game.

About eight years ago the H & L Co defeated both clubs and now think they can do it again, though Van Wilson, one of their best players, is laid up with a cur-tailed finger.

A LAWYER LEFT.—It is not often that Hon T H Ford, of Salem, gets left. When it comes to matters of law he is in the front car, but in traveling on the railroad, that is a different thing. This noon Mr Ford took his seat in the Lebanon car, and settled down for an easy time until he reached Salem. The train started up and Mr Ford did not discover his mistake until the Portland train was just going out of sight. Then he rushed onto the platform and remarked that ? ? ? ? ?
—d. As the Lebanon car was directly against the Portland train this mistake was easily made. It is a serious question if Hon T H Ford will not have grounds for a \$1,000,000 suit.

A DOG INCIDENT.—Last evening an exciting event occurred during the baseball game. Among many others Mr Henry Broders had a seat on the Ferry street sidewalk. During an interesting period in the game Mr Broders arose from his seat and started forward. The dog of Mr Al Reed saw the move and objected by grabbing Mr Broders by the seat of the pants and literally tore out a piece of cloth about a foot square. Mr Broders took a bee-line for the nearest clothing house, L E Blain's, and was soon in a new pair of pants, which the owner of the dog kindly agreed to liquidate for.

SOME RACES.—On Wednesday, July 1, there will be a trot at the fair ground near this city, for a purse of about \$50, between the sorrel stallion of S G Gourley, and the gelding of Mr David Junkin. The race will come off at 5 o'clock and promises to be an exciting affair. One heat will be trotted. One or two other contests are being arranged, and the event will no doubt be attended by a large crowd.

BASE BALL EXCURSION.—The steamer Bentley will leave Albany at 8:30 a m Saturday, June 27th, for Salem, with the Albany Base Ball club, who will play the Salem club that day. The Albanians have never been defeated, and are to be assisted Saturday by the Burns Bros, as a battery, so their admirers will be sure to witness an interesting game of ball. Tickets for round trip, \$1.00.

SEVERAL BRIDGE MEN are in the city figuring on the bridge to cross the Willamette at this city, bids for which will be opened on Saturday afternoon. Matters seem to be proceeding harmoniously, and we are assured of a bridge across the river at this city this year that will be a credit to the city. The general cry is, "give us a bridge."

WALL PAPER, ETC.—I have just received a new line of wall paper and decorations. Have more than doubled my facilities for handling them, and will keep a much larger stock. Wall paper and border to match. Beauties, and much cheaper than ever before. SAMUEL E YOUNG.

NEW CARPETS.—A B McIlwain has one of the largest and best selected lines of carpets, embracing all new patterns and designs, and as he has made a great reduction in prices it will be to the advantage of carpet buyers to call and inspect his stock, and prices before purchasing.

We insure against tramps. TOWNSEND & WILSON.

AT FORTMILLER & IRVING'S—150 dozen window shades, just received. A large and elegant stock of 16th century bedroom sets. A large and elegant list of carpets, many designs.

Mr Scott Ward is in the city, after a trip to Belknap Springs. He does not tell any long fish stories, but claims to have caught a trout weighing 6 1/2 pounds, and no doubt did. Too much rain dampened matters.

Last evening a farewell party was tendered Mr and Mrs E C Seals at their rooms in the Blumberg block. A large number were present to enjoy the evening's festivities, which were of a varied nature. A pleasant time was had. Mr and Mrs Seals have made many warm friends in Albany, whose best wishes they will take with them to their new home in Portland.

They have been naming John D Irish, late editor of the San Francisco Alta, for the editorship of papers all over the U S. He was named for a Portland paper and it immediately collapsed. He was mentioned for the Morning American, of Chicago, and it run one week. But Irish is a bright man. It wasn't his fault.

We are told that the Southern Pacific company will, about August 1st, run one passenger and one freight train each way daily between Springfield and Portland. It will take about a month to get the new pair of the road ballasted and leveled so as to insure safety in the running of passenger trains.—Register.

The secret of advertising is to give something striking that the people want. The National Advertiser gives a case: A colored man was to be hanged at Trenton, Ga., and the landlord of a hotel in that town, with an eye to business, inserted the following (ed.) in the Chattanooga Times: "Are you going to the hanging? The Blank House at Trenton, Ga, offers an excellent view to witness the execution. Stop at the Blank House, Trenton, Ga, when visiting the hanging on the 15th inst. Can see all from windows. Gallows within 150 yards. Meals 50c."

If Conn & Hendrickson can give you a large and choice stock of groceries, produce, fruits, berries, etc, to select from, then their store is one to visit when wishing anything in their line. An examination of their goods will convince any one that there is no better place in the city for trading in their line of goods. Their prices are low, with good reasons for the fact. They invite all to call and see them and learn by experience where the best bargains can be secured, both in prices and quality of goods.

DR. DARRIN FALLS.

Owing to the dull times Dr Darrin generously offers to treat all patients free of charge between the hours of 10 and 11 a m daily and those able and willing to pay at half his original rates. The afflicted will do well to make a note of this generous offer and apply at once as these rates will last only for a limited time. The doctor's fall in prices is not only a boon to the poor but will be appreciated by thousands unable to pay large fees. A reporter had occasion to visit the doctor's office recently and was amazed at the reports of patients waiting their turn to consult the doctor. One case in particular came to our ear, well worthy of notice. His name is M W Karrison, of San Francisco, now stopping at the Depot Hotel, about May 15, for kidney trouble, catarrh of the bladder, and diabetes of long standing, having tried all the schools of practice to no purpose. He was cured in one month and told us his sister was cured in San Francisco five years ago by Dr Darrin of a locomotive scrofulous affliction and had never seen a return of her complaint. Many other gave their experience with Dr Darrin and all with one accord were loud in his praise. The doctor's mode of treatment is peculiar to himself and strikingly successful. These cures are principally done by electricity and magnetism, medicine being given when necessary. Head office 701 Washington street, Portland, Or, branch office at Sargent's hotel, Aberdeen, Wash. Examination at the office or by letter free and confidential. Hours 10 a m to 8 p m daily. Question blanks and circular sent free. Dr Darrin treats all curable private, chronic and nervous diseases, seminal weakness, secret blood and skin diseases, nervous debility, impotence and other weaknesses of manhood.
