The Road to Wealth!
Cannot be successfully traveled with-
out good health. To reach wealth or any
coveted position in life requires the full
possession and operation of all the fac-
ulties kind nature has endowed us with.
These conditions cannot exist unless the
physical being is in perfect working
order, and this is impossible when the
liver and spleen are torpid, thus obstruct-
ing the secretions, causing indigestion
and dyspepsia, with all of their accom-
panying horrors.
**DR. HENLEY'S
English Balm Tonic**
exerts a healthy action over the liver,
excites it to healthy action, resolves its
chronic engorgements, and promotes the
secretions; cures indigestion and consti-
pation, sharpens the appetite, tones up
the entire system, and makes life worth
living.

Millions of Mothers. Castoria destroys Worms and allays
feverishness. Castoria prevents vomiting Sour Curd,

teething troubles, cures constipation and flatulency.

Castoria.
"Castoria is an excellent medicine for chil-
dren. Mothers have repeatedly told me of its
good effect upon their children."
Da. G. C. OSOON,
Lowell, Mass.
"Castoria is the best remedy for children of
which I am acquainted. I hope this day is not
far distant when mothers will consider the real
interest of their children, and use Castoria in-
stead of the various quack nostrums which are
destroying their loved ones, by forcing opium,
morphine, soothing syrup and other harmful
agents down their throats, thereby sending
them to premature graves."
DR. J. F. KIRCHNER,
Coeyar, Ark.
Castoria.
"Castoria is so well adapted to children that
I recommend it as superior to any prescription
known to me."
H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.
"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have among our
medical supplies what is known as regular
preparation, yet we are free to confess that the
merits of Castoria have won us to look with
favor upon it."

TELEGRAPHIC NEWS

State Teachers' Association.
Newport, Or June 30.—About one hundred
teachers came into Newport today from vari-
ous parts of the state. Extensive preparations
have been made by the citizens for the enter-
tainment of the teachers. The opera hall in
which the exercises are to be held, is beauti-
fully decorated. At 7:30 this morning the
department of superintendence convened in
the hall, with President D W Jarvis, of Uma-
cilla county, in the chair, and proceeded at
once to elect officers for the ensuing year, with
the following result:
President D W Yoder, of Marion county;
vice-president, C S Price, of Jackson county;
secretary and manager of the state teachers
reading circle, W Wetzel, Multnomah county.

Crazy Train.
LONDON, June 30.—George Francis Train
arrived at the hotel Victoria this morning, and
was astonished not to find a crowd of reporters
there to greet him, in response to his telegram
from France, inviting the press club to a re-
past, in which tea newly brought from the
Orient by himself was to figure as a beverage.
It seems that the proprietor of the hotel had
failed to enter into the spirit of the occasion
and the invitations had not been extended as
desired. Train appealed to heaven to verify
his opinion of British stupidity and rushed to
the Turkish bath across the road and ordered
the shampooer to remove the dirt of two hem-
ispheres.

Business Failures.
NEW YORK, June 30.—The business fail-
ures for the first six months of the present
year are reported by R G Dunn & Co. to
number 6074, as against 5385 during the same
period in 1890. The increase of 689 failures
is unusually large. The amount owing by
the parties who have failed in 1891 foots up
to \$92,000,000, while for the same period in
1890 they were only \$65,000,000, indicating
an increase in liabilities of \$27,000,000.

A High R. R.
COLORADO SPRINGS, June 30.—The Pike's
Peak railway is now in successful operation.
The first passenger train reached the summit
this afternoon. The lower terminus of the
line is 8400 feet above the sea level and the
upper 14,417. The distance is nine miles.

A Poor Diet.
CHICAGO, June 30.—An officer of the
health department asserts that he has dis-
covered that the flesh of broken down, emaciated
and diseased horses is being made into sau-
sage meat and sold in the poorer quarters of
city. An investigation is being made.

Their Only Medicine Chest.
William W B Miller, Deer Lodge, Montana,
writes: "I have been using Brandreth's
Pills for the last thirteen years, and though
I have had nine children, I have never had
a doctor in the house except three times,
when we had an epidemic of scarlet fever,
which we soon banished by a vigorous use
of Brandreth's Pills. I have used them for
liver complaint, dyspepsia, and constipation.
In diarrhoea, cramps, wind colic, indigestion,
one of two Brandreth's Pills fixed the chil-
dren at once. A box of pills is all the medi-
cine chest we require in the house. We use
them for rheumatism, colds, catarrh, bilious-
ness and impure blood. They never have
failed to cure all the above complaints in a
very few days."
