

A WARNING.

Senator Brice, chairman of the national democratic committee, has written a letter of warning and advice to his fellow members of the national committee. The letter embodies advice in regard to the association of democratic clubs and the necessity of the national committee co-operating with them.

It is reported that work is to begin on the big bridge between New York City and the Jersey shore in September. The necessary capital, \$100,000,000, has been subscribed.

The fair men of both parties in the Massachusetts legislature set an excellent example in passing a just congressional reappointment bill, which Gov. Russell promptly signed.

The crop of winter wheat promises to be the largest ever raised in this country, and reports from the spring wheat belt are also exceptionally encouraging.

Texas reports that they are harvesting the early varieties of wheat and oats. Both wheat and oats are unusually fine, and bad storms during harvest are now the only danger to securing what now promises to be a very fine crop.

One of the recent inventions for life saving apparatus is the Irvine pneumatic gun for throwing a line to ships in distress or to persons in a burning house.

The camera shows that the star Vega, one of the brightest stars in the northern heavens, is apparently a double star, composed of two suns, each revolving around a point midway between them.

Good authorities estimate that France will require to import nearly \$100,000,000 worth of wheat the coming agricultural year.

In proportion to its population, Australia is the largest tea consuming country, and England stands second.

A farmer at Derby, N H, has a yearling calf that weighs 665 pounds.

Try Calumet Baking Powder, the purest on earth.

SERIOUS CHARGE.

A dispatch from Topeka, Kansas, says: Mrs Mary Ellen Lease, high priestess of the farmers alliance in Kansas, speaking yesterday of the murder of Colonel Sam Wood at Hugoton last week, said: "It is the work of this infamous republican crowd who cannot beat us fair, but take the assassin's work in hand to put us out of the way."
