A SCROFULOUS BOY

Running Sores Covered His Body and Head. Bones Affected. Cured by Cuticura Remedies.

When six months old, the little boy of our friend grandchild began to swell, and had every appearance of a large boil. We would not let it, but it ran purpose. About five months after it began to run sores. Soon other sores formed. He had two of them on his hand, and as his little hands came more and more into use, it took less time for them to break out. A sore came on the chin, beneath the lip, which was very offensive. His head was one solid sore, discharging a great deal. We were his condition at ten months out, when I doctored the case of him, mother having died when he was a little more than a year old, of consumption.

Of course, he could walk a little, but could not get up if he fell down, and could not move in bed, having no use of his hands. I immediately commenced with the Cuticura Remedies, and all freely. One sore after another healed, a master forming in each one of these free deep sores before healing, which would finally grow hard and were taken out; then they would heal again. One of these ugly bone formations I pressed after taking a dozen and a half bottles he was perfectly cured, and is now, at the age of six years, strong and healthy child. Mrs. E. R. DODGE, MAY 9, 1893. 612 E. Clay St., Birmingham.

My grandson remains perfectly well. No more scrofula and no more. Mrs. E. R. DODGE, Feb. 7, 1890.

"August Flower"

Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and the misery is yours; and until you are willing to believe, and spend the one for the relief of the other, they will stay so. John H. Foster, 1122 Brown Street, Philadelphia, says:

"My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower have cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."

Vomit Every Meal.

FAIR WARNING.
Sheriff Scott [Does] Not Want [the] World, but he Must Have the Delinquent Taxes.

Sheriff Scott proposes to make it wait for delinquent tax payers unless they settle at once. The following notice has been published several weeks; but it does not work as effectively as it should: By order of the County Court I am directed to force the collection of all taxes standing unpaid on the assessment rolls of this county. If such taxes are not paid immediately I shall proceed to levy upon and sell the property of delinquents to make collection. I mean business. M. SCOTT, Sheriff of Linn county.

Now he proposes to enforce the collection of all unpaid taxes, which, though not the pleasantest business in the world, must be done. Delinquents should come to time and pay up, thereby avoiding legal proceedings, as provided by the laws of Oregon. This is positively the last call. Look out for the explosion of the bomb.
