Daily Democrat.

The following is pretty well worn out; but when a hit is wanted at any town's kicker, it comes very handy: "Here's to the kicker, the faint-hearted kicker, the kicker so helpless and blue! who is always crying and never is trying some good for his town to do. No use to correct him nor need you expect him to get to the front like a man; while others hustle he'll sit down and rustle objections to raise to each plan. But when the brute dies we'll pause with dry eyes, on his future condition to dwell, and we will envy the devil that will handle the shovel when he roasts the rank kicker in h—."

"German Syrup"

Here is something from Mr. Frank A. Hale, proprietor of the De Witt House, Lewiston, and the Tontine Hotel, Brunswick, Me. Hotel men meet the world as it comes and goes, and are not slow in sizing people and things up for what they are worth. He says that he has lost a father and several brothers and sisters from Pulmonary Consumption, and is himself frequently troubled with colds, and he often coughs enough to make him sick at his stomach. Whenever he has taken a cold of this kind he uses Boschee's German Syrup, and it cures him every time. Here is a man who knows the full danger of lung troubles, and would therefore be most particular as to the medicine he used. What is his opinion? Listen! "I use nothing but Boschee's German Syrup, and have advised, I presume, more than a hundred different persons to take it. They agree with me that it is the best cough syrup in the market." ④

TORTURING ECZEMA

Editor Iowa Plain Dealer Cured of Insufferable Itching and Pain by the Cuticura Remedies.

No Less Than Five Physicians Consulted. Their Combined Wisdom Followed Without Benefit.

I am sixty-six years old. In August, 1889, was troubled with the peculiar skin disease to which people of my age are subject, known among medical men as eczema. Its first appearance was near the ankles. It rapidly extended over the lower extremities until my legs were nearly one raw sore; from legs the trouble extended across the hips, shoulders and the entire length of the arms, the legs and arms greatly swollen with an itching, burning pain, without cessation. Although the best medical advice attainable was employed, no less than five physicians of the place being consulted and the prescriptions being the result of their combined wisdom, the disease, though apparently checked, would recur in a few days as bad as ever; during its progress my weight fell away about twenty-five pounds. As an experiment I began the use of CUTICURA, following the simple and plain instructions given with the REMEDIES, and in four weeks found myself well, with skin soft and natural in color, the itching and pain entirely relieved.

Editor Iowa Plain Dealer, Cresco, Ia.
