"August Flower"

The Hon. J. W. Fennimore is the Sheriff of Kent Co., Del., and lives at Dover, the County Seat and Capital of the State. The sheriff is a gentleman fifty-nine years of age, and this is what he says: "I have used your August Flower for several years in my family and for my own use, and found it does me more good than any other remedy. I have been troubled with what I call Sick Headache. A pain comes in the back part of my head first, and then soon a general headache until I become sick and vomit. At times, too, I have a fullness after eating, a pressure after eating at the pit of the stomach, and sourness, when food seemed to rise up in my throat and mouth. When I feel this coming on if I take a little August Flower it relieves me, and is the best remedy I have ever taken for it. For this reason I take it and recommend it to others as a great remedy for Dyspepsia, &c."

TORTURING ECZEMA

Editor Iowa Plain Dealer Cured of Insufferable Itching and Pain by the Cuticura Remedies.

No Less Than Five Physicians Consulted. Their Combined Wisdom Followed Without Benefit.

I am sixty-six years old. In August, 1889, was troubled with the peculiar skin disease to which people of my age are subject, known among medical men as eczema. Its first appearance was near the ankles. It rapidly extended over the lower extremities until my legs were nearly raw and sore; from legs the trouble extended across the hips, shoulders and the entire length of the arms, back and arms greatly swollen with an itching, burning pain, without cessation. Although the best medical advice obtainable was employed, no less than five physicians of the place being consulted and the prescriptions being the result of their combined wisdom, the disease, though apparently checked, would recur in a few days as bad as ever; during its progress my weight fell away about twenty-five pounds. As an experiment I began the use of CUTICURA, following the simple and plain instructions given with the Remedies, and in four weeks found myself well, with skin soft and natural in color, the itching and pain entirely relieved. W. R. MEAD, Editor Iowa Plain Dealer, Cresco, Ia.
