"German Syrup"

A Cough and Croup Medicine.
For children a medicine should be absolutely reliable. A mother must be able to pin her faith to it as to her Bible. It must contain nothing violent, uncertain, or dangerous. It must be standard in material and manufacture. It must be plain and simple to administer; easy and pleasant to take. The child must like it. It must be prompt in action, giving immediate relief, as children's troubles come quick, grow fast, and end fatally or otherwise in a very short time. It must not only relieve quick but bring them around quick, as children chafe and fret and spoil their constitutions under long confinement. It must do its work in moderate doses. A large quantity of medicine in a child is not desirable. It must not interfere with the child's spirits, appetite or general health. These things suit old as well as young folks, and make Boschee's German Syrup the favorite family medicine.

TORTURING ECZEMA

Editor Iowa Plain Dealer Cured of Insufferable Itching and Pain by the Cuticura Remedies.

No Less Than Five Physicians Consulted. Their Combined Wisdom Followed Without Benefit.

I am sixty-six years old. In August, 1890, was troubled with the peculiar skin disease in which people of my age are subject, known among medical men as *eczema*. Its first appearance was near the ankle. It rapidly extended over the lower extremities until my legs were nearly one raw sore; from legs the trouble extended across the hips, shoulders and the entire length of the arms, the legs and arms greatly swollen with an itching, burning pain, without cessation. After consulting the best medical advice obtainable was employed, no less than five physicians of the place being consulted and the prescriptions being the result of their combined wisdom, the disease though apparently checked, would recur in a few days as bad as ever; during its progress my weight fell away about twenty-five pounds. As an experiment I began the use of Cuticura, following the simple and plain instructions given with the Remedies, and in four weeks found myself well, with skin soft and natural in color, the itching and pain entirely relieved.

W. R. MEAD, Editor Iowa Plain Dealer, Cresco, Ia.
