

Tramps have been in the habit of visiting Al Routh's sheep camp near Meacham and purloining provisions and mutton during the herder's absence. Recently the herder skinned a lamb which had died from poison and hung it up in a sack outside the cabin to show Mr Routh when he arrived how fat the sheep were. The lamb was stolen by some vagabond, who doubtless provided a good meal for himself and comrades from the remains. It is a good joke on the tramp.—Pendleton E. O.

Forepaugh's contract with the Union Pacific is for the transportation of 50 railroad cars, each sixty feet in length, equal to a train of 150 ordinary freight cars. It is claimed to be the largest transportation contract ever made by this road.

## "August Flower"

Mrs. Sarah M. Black of Seneca, Mo., during the past two years has been affected with Neuralgia of the Head, Stomach and Womb, and writes: "My food did not seem to strengthen me at all and my appetite was very variable. My face was yellow, my head dull, and I had such pains in my left side. In the morning when I got up I would have a flow of mucus in the mouth, and a bad, bitter taste. Sometimes my breath became short, and I had such queer, tumbling, palpitating sensations around the heart. I ached all day under the shoulder blades, in the left side, and down the back of my limbs. It seemed to be worse in the wet, cold weather of Winter and Spring; and whenever the spells came on, my feet and hands would turn cold, and I could get no sleep at all. I tried everywhere, and got no relief before using August Flower. Then the change came. It has done me a wonderful deal of good during the time I have taken it and is working a complete cure."

## TORTURING ECZEMA

Editor Iowa Plain Dealer Cured of insufferable Itching and Pain by the Cuticura Remedies.

No Less Than Five Physicians Consulted. Their Combined Wisdom Followed Without Benefit.

I am sixty-six years old. In August, 1889, was troubled with the peculiar skin disease to which people of my age are subject, known among medical men as eczema. Its first appearance was near the ankles. It rapidly extended over the lower extremities until my legs were nearly one raw sore; from legs the trouble extended across the hips, shoulders and the entire length of the arms, the legs and arms greatly swollen with an itching, burning pain, without cessation. Although the best medical advice obtainable was employed, no less than five physicians of the place being consulted and the prescriptions being the result of their combined wisdom, the disease, though apparently checked, would recur in a few days as bad as ever; during its progress my weight fell away about twenty-five pounds. As an experiment I began the use of Cuticura, following the simple and plain instructions given with the Remedies, and in four weeks found myself well, with skin soft and natural in color, the itching and pain entirely relieved. (W. R. MEAD, Editor Iowa Plain Dealer, Oregon, Ia.)
