"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
Dr. G. C. Osgood, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Kincheloe, Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. Archer, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

The Chicago *Tribune* (Rep) calls upon certain unnamed parties to "stop lying and build some tin plate mills." *The Republic* has been more polite in dealing with the alleged manufacturers of American tin plate, not neither democratic politeness, nor republican denunciation, nor an enormous protective duty of $44 per ton on the steel sheets from which tin plate is made has induced any one to manufacture American tin plates for commercial instead of for political uses. We notice in the *New York Evening Post* of last week another letter from Messrs N L Cort & Co, the well known dealers in tin plate, in which they announce that as yet they have received no offer from any American manufacturer to furnish at any price any portion of the 6,000 boxes of American tin plate which they offered to buy during the current year. We observe also that the hullabaloo in the republican newspapers about the manufacture of American tin plate and the establishment of tin plate factories on a vast scale at different points has suddenly stopped—we might almost say collapsed. *The Republic's* pricking of the bubble seems to have been effective, but, in order to avoid misapprehension, we may add that Messrs N L Cort & Co' offer for 6,000 boxes of American tin plate to be delivered at any time within a year still holds good.

The *Times Mountaineer* in its chronic way groans over the divisions in the democratic party on the silver question. That paper would do well to reflect upon the very radical differences in the republican party on that subject. Take Senators Mitchell and Dolph who are each distinctively republican leaders. Dolph bows and worships devotedly at the shrine of the gold god on Wall street, while Mitchell with equal religious devotion bows with equal devotion before the silver god of the west.

Mothers!

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhoea and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses, 35 cents.

A Haunted House.

This body of ours has been likened to tenement. It often has a haunted apartment —the stomach. Scared by the eldritch sprits, dyspepsia, digestion flies and refuses to return. What can break the spell, what can raise the ban laid upon the unhappy organ? We answer unhesitatingly, Hostetter's Stomach Bitters, and we are warranted in the response by the recorded testimony of myriads, covering a period over a third of a century. A course of the Bitters, begun in any stage of the affliction, and persistently followed, will terminate in cure positive, not partial. The Bitters restores tone to the epigastic nerve, renews and purifies the juices exuding from the cellular tissues that act upon the food digestively, expels bile from the stomach and the blood, and promotes a regular habit of body. Malaria, kidney complaint, nervousness, rheumatism and neuralgia give way to this medicine.
