

August 3rd, 1891.

J M Moyer proposes to put in a good system of water works for a bonus of \$2000, and an effort is being made to raise the money.

Brownville is to have a fine hotel soon, one that will accommodate the public in keeping with the times.

Hops are good in this part of the country.

Bill Cross, who lives on Caleb Gray's farm near Halsey, was in town yesterday and was telling of threshing 17 acres of oats that went 67 1/2 bushels to the acre, the total being 1147 1/2 bushels. How is that for Oregon.

All hands and their best girls went to Sodaville yesterday to have a good time and drink soda.

The potato spoken of in the Times and copied by the Democrat as being at the office of O P Coshow, of this place, would be a poor kind to raise, as they would be a little strong for eating. One could tell what his crop would be before picking time though.

Young ladies who fight little boys are a little out of their place. We should say as some do in Brownville it takes all kind of people to make a world, and they are here we would think.

All are busy in harvest and town is a little dull at present. Threshing will begin this week in dead earnest.

"August Flower"

Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and until you are willing to believe, and spend the one for the relief of the other, they will stay so. John H. Foster, 1122 Brown Street, Philadelphia, says: "My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."
