

LEBANON.—Last Monday at a caly meeting of the council Mr. S. B. Coyle sent in his resignation as marshal, which was accepted. A. W. Grubb was elected to fill the unexpired time.

It is rumored that Dr. Lamberson may ere long be a wealthy man. We understand that his bitters are in great demand and a fine revenue may be realized on them.

Mr. Ruff Hiat was in the other and in talking with him in regard to the outlook for the hop crop he informs us that the late rains have probably increased the lice and he thinks there will not be more than half the usual crop at hop harvest this season.

On Saturday J. N. Bunch sold the right of the Pacific Washing Machine for the state of Texas to J. B. Thompson, a wealthy farmer of Lebanon, for \$8500.—Eugene Guard. This is the enterprising proprietor of the St. Charles. He will go to Texas in October.—Express.

C. W. Cobb, successor of Paisley & Smiley is sending out work to all parts of the valley. He has first-class facilities and is displaying the advantages of them. Parties desiring work in the job printing line should first call on Mr. Cobb before ordering.

"August Flower"

Mrs. Sarah M. Black of Seneca, Mo., during the past two years has been affected with Neuralgia of the Head, Stomach and Womb, and writes: "My food did not seem to strengthen me at all and my appetite was very variable. My face was yellow, my head dull, and I had such pains in my left side. In the morning when I got up I would have a flow of mucus in the mouth, and a bad, bitter taste. Sometimes my breath became short, and I had such queer, tumbling, palpitating sensations around the heart. I tached all day under the shoulder blades, in the left side, and down the back of my limbs. It seemed to be worse in the wet, cold weather of Winter and Spring; and whenever the spells came on, my feet and hands would turn cold, and I could get no sleep at all. I tried everywhere, and got no relief before using August Flower. Then the change came. It has done me a wonderful deal of good during the time I have taken it and is working a complete cure."
