Mr. John Mullan went to Yaquina Bay this noon.

Chief of Police Minto, of Salem, was in the city today.

Mr. A. B. Woodin and sister went to Mr. Woodin's Sanitarium ranch this noon.

Mr. E. L. Power, son and Miss Robe, of Brownsville, are in the city today.

Mr. Murry Vaughn, who left Albany a few weeks ago, for San Francisco, has returned and resumed his position in his brother-in-law's boot and shoe store.

Mr. John Diller, of the Albany hose team, left today for Seattle, having been transferred by C. H. Dodd & Co., by whom he is employed, to that city.

Drs. Maston & Davis have just received a fine skeleton from Paris, which will add greatly to their office outfit. It is one of the best on the coast, six feet or more high and perfect in all the details.

A number returned from Yaquina Bay today. The number of resorters there is reported to remain about the same. Saturday evening, the DEMOCRAT is informed, a big excursion party of several hundred people, will go from Portland there.

R. R. Fimple and wife, Miss Fimple, L. D. Fimple, Mr. L. M. McIlennedy, Master R. R. McIlennedy, and Miss Rose H. Beckham, arrived in Albany this morning from Chico, Calif., and will remain about six weeks. Mr. Fimple owns a 400 acre farm near Albany besides city property.

Mr. Mark Brownson, a brother of Mrs. Wallace Baldwin is in the city. He has been in the stock business near Spokane for several years; but will now locate probably in Benton county. Mr. Brownson is also a cousin of an old school mate of the Man About Town, doing a wholesale milk business at South Seattle, from whom he brings friendly greetings.

A FAREWELL PARTY.

Last evening a farewell party was tendered Mr. E. N. Boughton, at the residence of Mr. M. Mead. Mr. Boughton, a student of Oberlin college, has been here several months in the interest of Gaskill's compendium, and during the time has made many friends who wished for an opportunity to express their appreciation of him. A delightful evening was spent in games, sociability, a short program and a well prepared lunch. The program consisted of a vocal duet by Mr. and Mrs. Hammer, a reading by Mrs. Brown, a recitation by Miss Eva Simpson and an instrumental solo by Mrs. Arch Hammer. After lunch toasts were called for and responded to by Mr. Arch Hammer on patriotism; by Mr. Collins Elkins on married ladies, and by Mr. Boughton on the girls. Those present were C. W. Elkins, Luther Elkins, H. C. Watson, Frank Watson, E. N. Boughton, Arch Hammer, Misses Hela Gilbert, Emma Coughlin, Artie Huston, Mettie Miller, Eva Simpson, Birdie Anslyn, Akin, Starbuck, Ella Mead, Brown, Mrs. Arch Hammer, Mrs. Brown.

MISSITS.

Sells circus today.

This is the time of the year, it is said when the Chinaman is greatly agitated about the devil, and has his hands full in keeping him away.

There is considerable in wind these days, particularly when blowing from the north. That means good weather for harvest.

The finances of the university are in a flourishing condition. By the reports published the total receipts for last year amount to \$27,996.12; total disbursements, \$25,368.20—leaving a balance on hand June 30, 1891, of \$2,627.92. The report from the land fund shows a gain of \$784.94 during the year.—Guard.

R. L. Heninger, a farmer five miles north of Salem records a freak that will interest those stock growers who are taking notes on the sex problem in breeding. A sow has brought a litter of eleven female pigs, no males. This is a wonderful occurrence in the annals of hog raising as generally the sex is evenly divided.

There seems to be considerable competition in Marion county among three of its cities. It is evident Woodburn thinks she is in the lead from the following: "Last year Gervais school district received \$220.40; this year \$213.15. Last year Silverton received \$324.35, and this year \$432.10. Last year Woodburn received \$337.85 and this year \$436.45. Silverton has increased \$97.15, and Woodburn has increased \$98.60."

The Pendleton E. O. takes the following very funny view of a matter, one that would in a measure upset the world if followed: "The Albany Democrat in commenting upon the delusion practiced by a news agent upon a passenger on one of the trains of the Union Pacific as told in the East Oregonian, says, 'the man should have a guardian appointed; and the news agent sent to the penitentiary.' We beg to differ. Neither should be done. The victim's stupidity was as great an act of ignorance as the news agent's villainy. If one should go to the penitentiary for such an act both should go. The thief lives off the fool. We will have thieves as long as we will have fools. Greater intelligence is the only thing that will tend to diminish the ranks of both. Punishment won't."

Pay your city taxes.

NEW PROCESS.—Mrs. A. M. Tait is now selling a new process for canning fruits and vegetables without cooking or sealing tight. Samples of her work may be seen at Brownell's store.

REMOVED.—W. E. McPherson has removed his loan and insurance office to opposite the Masonic temple, where at present he has plenty of money to loan on Albany real estate.

Patrons here include and have handled: harness, warranted, from O. C. McFarland, at 13th and 1st streets.

BASE BALL AT NEWPORT.

Aug. 17, 1891.

Editors Democrat: It was the good fortune of many Albany people to witness a closely contested game of ball, between the Albany and Newport nines in this city this afternoon.

Up to the 8th inning it was as pretty an amateur game as we have ever seen. The score standing 7 to 5 in favor of Albany.

In the 8th the Albany got in their usual fire-works scoring 9 runs, of which were earned by hard hitting. The features of the game were fly catching by Cressey of Newport and Chamberlain and Campbell of Albany.

Larimore and Smiley had on their "battery clothes," and we were pleased to see the effect of their work. Larimore striking out 20 men, 19 of which were secured by Smiley.

By this work these gentlemen certainly demonstrated their ability to play ball and no doubt the severe scorching lately given them in the result of the Jefferson game, had the desired effect. Blodgett of Albany played 1st base in such a manner as to be called "Anson of Chicago," the balance of his stay at the Bay.

We append the score by innings:

Albany 0 1 2 3 4 5 6 7 8 9 16

Newport 2 0 0 0 0 3 0 2 7

Passed balls—Wooden, 3; Smiley, 0.

Struck out, by Ellis, 6; Larimore, 20.

Bases on balls by Ellis, 2; Larimore, 1.

Earned runs, Newport 3, Albany 10.

Time of game, 1 hour, 55 minutes.

Pimples.

The old idea of 40 years ago was that facial eruptions were due to a "blood humor," for which they gave potash. Thus all the old Sarsaparillas contain potash, a most objectionable and drastic mineral, that instead of decreasing, actually creates more eruptions. You have noticed this when taking other Sarsaparillas than Joy's. It is however now known that the stomach, the blood creating power, is the seat of all vitiating or cleansing operations. A stomach clogged by indigestion or constipation, vitiates the blood, results pimples. A clean stomach and healthful digestion purifies it and they disappear.

Thus Joy's Vegetable Sarsaparilla is compounded after the modern idea to regulate the bowels and stimulate the digestion. The effect is immediate and most satisfactory. A short testimonial to contrast the action of the potash Sarsaparillas and Joy's modern vegetable preparation. Mrs. C. D. Stuart, of 400 Hayes St., S. F., writes: "I have for years had indigestion, I tried a popular Sarsaparilla but it actually caused more pimples to break out on my face. Hearing that Joy's was a later preparation and acted differently, I tried it and the pimples immediately disappeared."
