The following bids were opened and read for the construction of sewers in the city of Albany, the bids being per foot: Maple, Ferry, Madison, \$2 85 \$2 99 \$2 49

On motion the contracts were let as follows: To Bays, Jeffries & Co. for Maple and Ferry streets, \$1 19 per cubic yard, extra for rock work. Hayne, Buck & Co., Madison street. The former bonds were placed at \$15,000, the latter at \$3000. Maple street sewer will be 1475 feet long, of 15 inch pipe, Ferry, 3000 feet long, of 18 inch pipe, and Madison, 2875 feet long, of 15 inch pipe.

THAT BENTON ASSESSMENT.—The Albany Democrat is finding fault with our county officials for advertising the delinquent tax lists, and makes assertions which are away off on the subject. If the Democrat man would post up on the matter he would find that he is greatly mistaken, and that the officials in this county conduct matters strictly according to law. The fact is the property referred to has been properly assessed.

Benton Lender. The fact is the property was not properly assessed. When a tax is paid the only record the sheriff makes is on the printed list published in the papers, for which 50 cents a line is charged even though the ad only runs a

One half dollar reduction on every pair of Ludlow's fine shoes. A good line of them at S E Young's.

Wheat, 85 cents. That sounds good. Sewer work alone in Albany this year should furnish employment to forty or fifty men.

While wheat is 80 cents at Salem and Corvallis, it is 86 at Albany. Will Corvallis papers now please inform us which is the best market. Corvallis is high early when no one sells, Albany when they do sell.

There is an epidemic of diphtheria at Willows, Cal., and a Chronic correspondent last Sunday reported twenty cases. The report said: "The yellow flag floats from many houses. There is great excitement. The marshal gives notice that he will arrest all children found on the streets."

A person who has type, paper and press has no rights over a person who has not. It is very wrong for such a person to strike down an individual who owns no press or public newspaper to reply.—Journal. And yet the Journal has been trying to strike down Governor Pennoyer, who owns no press. But the matter is not material, as the governor hardly felt the bite of the fly.

The following peculiar item is from the Statesman. "All circumstances combine to make Salem the best university town on the coast."—T Van Scoy in Willamette University Catalogue for 1890-91. "Salem is not a fit place for a school. It's the sickest place I ever lived in on my life."—T Van Scoy to Idaho conference, 1891.

CHURCH SERVICES.—Hot weather! Yes, but we have interesting meetings just the same at the Gospel services of the Young Men's Christian Association, Sunday afternoon at 4 o'clock. If you don't believe it, just come tomorrow and hear Rev Mr Wilson speak. He is an interesting talker and always has something good to say to young men. All men are cordially invited.

DEED.

CROFT.—On Saturday morning, Aug 22, 1891, at his home in Albany, of Bright's disease of the kidneys, Mr F F Croft, at the age of 51 years.

Mr Croft was born in England. When a boy he came with his parents to the United States, residing in Massachusetts, from which state he made many trips on the ocean, going around the Horn several times, living an eventful life. In about 1870 he came with Thos Kay and Mr Dalgleish to Oregon, buying with them the woolen mill at Brownsville, but retiring a few years afterwards and going into the mercantile business, which business he followed until coming to Albany on the building of the woolen mills, though he previously owned considerable stock in the Brownsville mill. He was the heaviest stockholder in the Albany mill, and had been superintendent since a few months after the completion of the mill. He was a popular man, of strict integrity, and leaves a good record both as a business man and a citizen. He leaves a wife and two children. Mr Croft was a member of the Masonic lodge, Royal Arch degree, and of the Odd Fellows.

The body of the deceased was taken to Brownsville this afternoon, where the funeral service will occur on Monday.

Important to Housekeepers.

It gives Julius Gradwohl great satisfaction in selling his Fine Golden Rule tea and baking powder, with elegant prizes or without them, that his customers who have purchased invariably return and say they are well pleased, that the tea is No. 1 and the baking powder is as good as the best. All his teas and baking powder bears the name of Julius Gradwohl's Golden Rule BAZAAR, and are expressly put up for his business, and he still continues to give with each pound of tea or baking powder an elegant piece of glassware.

WALL PAPER, ETC.—I have just received a new line of wall paper and decorations. Have more than doubled my facilities for handling them, and will keep a much larger stock. Wall paper and border to match. Beauties, and much cheaper than ever before. SAMUEL E YOUNG.

The Methodist church of Eugene is in a flourishing condition. It has 350 members and has raised \$2,200 during the last year to pay running and other necessary expenses. A part of a lot has been purchased adjoining the church on the south to give more room.—Journal.

Bad Blood. Impure or vitiated blood is nine times out of ten caused by some form of constipation or indigestion that clogs up the system, when the blood naturally becomes impregnated with the effete matter. The Sarsaparilla attempts to reach this condition by attacking the blood with the drastic mineral "potash." The potash theory is old and obsolete. Joy's Vegetable Sarsaparilla is modern. It goes to the seat of the trouble. It cleanses the liver, kidneys and bowels to healthful action, and increases the circulation, and the impurities are quickly carried off through the natural channels.

What is Home Without a Mother

"What is home without a mother," Sang the poet long ago. What is life without good food? We should really like to know.

What's a boat without a rudder? Or a ship without a sail? What's a goose without a gander, Or a "hoss" without a tail?

What's a life without a baby? What's a hen without a coop? If your groceries don't come from Parker's You may find you're in the soup.

What's a sermon without chestnuts? What's an old maid without hope? What's a dago's squeaky organ, Without a monkey at his rope?

What's the need of all this rhyming, Unless to save you lots of fuss? One thing sure you will be happy If you come and trade with us.
