CONSTIPATION.

Afflicts half the American people yet there is only one preparation of Sarsaparilla that acts on the bowels and reaches this important trouble.

It is Joy's Vegetable Sarsaparilla. It relieves it in 24 hours, and an occasional dose prevents return.

We refer by permission to C E Elkington, 125 Locust Avenue, San Francisco; J H Brown, Petaluma; H S Winn, Geary Court, San Francisco, and hundreds of others who have used it in constipation.

One letter is a sample of hundreds. Elkington writes: "I have been for years subject to bilious headaches and constipation. Have been so bad for a year back have had to take a physic every other night or else I would have a headache. After taking one bottle of J. V. S. I am in splendid shape. It has done wonderful things for me. People similarly troubled should try it and be convinced."
