

"August Flower"

HARRISBURG.—Miss Brenner, of Albany, is visiting in this city, the guest of Miss Viola Sanders and the Misses May.

"I inherit some tendency to Dyspepsia from my mother. I suffered two years in this way; consulted a number of doctors. They did me no good. I then used Relieved in your August Flower and it was just two days when I felt great relief."

Two Days without a bottle, and if I feel constipated the least particle a dose or two of August Flower does the work. The beauty of the medicine is, that you can stop the use of it without any bad effects on the system.
