ONE MASS OF SCALES
Afflicted 3 Years by Dreadful Skin and Blood Disease, with Intense Pain and Loss of Hair.
All Other Remedies Fail. Relieved Instantly and Cured in Four Weeks by the Cuticura Remedies.

I have a few words to say regarding the CUTICURA REMEDIES. They have cured me in four weeks' time from a Skin and Blood Disease which I have had for over three years. At certain times, my skin would be very sore, and always kept cracking and peeling off in white scales. In cold weather my face was one mass of scales. When in the cool air the pain was intense; it would almost bring tears to my eyes, and my blood also being in a poor condition, with a loss of hair. I have tried every known remedy that was recommended to me, but it was of no use, and gave me very little benefit. So, hearing of your CUTICURA REMEDIES, I concluded to give them a trial. The first application gave almost instant relief. In a few weeks' time I found myself cured, and I am thankful for what they have done for me. Your CUTICURA REMEDIES are a blessing to those who may have the opportunity to use them. I can recommend them to any one. EDMUND KERAS, 2701½ Union Ave., Chicago, Ill.

The Best External Remedy.

S J Tidwell, Haley's, Marion county, Alabama, writes:

"Allcock's Porous Plasters are a most invaluable household remedy. They do all that is claimed for them. I sell many hundreds every year, and every day I hear of their curing coughs and colds, diseases of the spine, liver and ague cake; in fact, there is no disease that can be reached by an external application that they do not cure."

Beware of imitations, and do not be deceived by misrepresentation. Ask for Allcock's, and let no solicitation or explanation induce you to accept a substitute.

Allcock's corn and bunion shields effect quick and certain relief.

JENKS' DREAM.

Jenks had a queer dream the other night. He thought he saw a prize-fighters' ring, and in the middle of it stood a doughty little champion who met and deliberately knocked over, one by one, a score or more of big, burly-looking fellows, as they advanced to the attack. Giants as they were in size, the valiant pigmy proved more than a match for them. It was all so funny that Jenks woke up laughing. He accounts for the dream by the fact that he had just come to the conclusion, after trying nearly every big, drastic pill on the market, that Pierce's Pleasant Purgative Pellets, or tiny Sugar-coated Granules, easily "knock out" and beat all the big pills hollow! They are the original and only genuine Little Liver Pills.

Beware of Imitations, which contain Poisonous Minerals. Always ask for Dr. Pierce's Pellets, which are Little Sugar-coated Pills, or Anti-bilious Granules. One a Dose.

SICK HEADACHE,
Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the stomach and bowels, are promptly relieved and permanently cured by the use of Dr. Pierce's Pleasant Purgative Pellets. They are gently laxative, or strongly cathartic, according to size of dose. Smallest, Cheapest, Easiest to take. 25 cents a vial, by druggists.

The colored men of Massachusetts are taking action to have a representative on the republican state ticket, and have brought forward the name of ex-Assemblyman William Oscar Armstrong for State Auditor. They threaten to bolt 10,000 colored votes from the republican ticket unless their demands are complied with.

A meeting will be held Sept. 8 to take action on the matter. Several leading republican sheets in the state are in favor of having a colored man on the ticket.

Queen Victoria was the only child of Edward, Duke of Kent, who was the fourth son of George III. Her mother was Victoria Mary Louise, fourth daughter of Francis, Duke of Saxe Coburg Saalfeld. Neither George IV. nor his brother had surviving legitimate issue, and she became heir presumptive on the accession of her uncle, King William IV., who also died without legitimate offspring.

Important to Housekeepers.

It gives Julius Gradwohl great satisfaction in selling his fine Golden Rule teas and baking powder, with elegant prizes or without them, that his customers who have purchased invariably return and say they are well pleased, that the tea is No. 1 and the baking powder is as good as the best. All his teas and baking powder bears the name of Julius Gradwohl's Golden Rule Bazaar, and are expressly put up for his business, and he still continues to give with each pound of tea or baking powder an elegant piece of glassware.

Mothers!

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhœa and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses, 35 cents.

Take Care! There is Danger!

In allowing inactivity of the kidneys to grow through neglect. The deadly shoals of Bright's disease and diabetes will wreck the goodly bark of health if it is allowed to drift rudderless upon them. The bladder, too, if inactive, and judicious medication does not speedily direct the helm toward the port of safety, will be whelmed by the quicksand of disease. In selecting a diuretic, let your choice fall upon Hostetter's Stomach Bitters, which stimulates the renal organs without irritating and exciting them, two effects to be apprehended from the unrestricted stimuli largely resorted to. These have a tendency to react prejudicially. The Bitters invigorate the kidneys and bladder, in common with the nerves and digestive organs, and so afford lasting aid. It also affords dual assistance in preventing and curing intermittent and remittent fever. Biliousness constipation and rheumatism it also subjugates.

AN EXAMPLE.—The teas for American consumption are bought in China by European experts, who are called "tea-tasters." The encyclopedias are authority for the fact that in a few years they have to give up their lucrative positions with shattered constitutions. The unhealthfulness of the adulterations and mineral coloring matter cannot be more strongly put. Beech's Tea is pure as childhood. For sale by Allen Bros.

TELEGRAPHIC NEWS
By an Eagle.

SAULT STE. MARIE, Mich Sept 6.—John Powdje, a former chief of the Chippewa Indians, lives on the banks of St Marys river, and acts as guide to hunting parties. Yesterday three Cincinnati men engaged him for a day's hunt. They started across the river this morning, and when nearly over noticed a large bird flying in the air. The Indian said it was an eagle, and suggested that he should row back to the American shore so as to be within gunshot of the bird should it descend. He did so. They then started for gunshot distance. Powdje's squaw, in the meantime, had gone to the river to get water, leaving her three-months-old pappoose tied to a board and leaning against the side of her hut. The eagle spied the child, and when about 200 feet from the ground it made a swoop on the child. The squaw was horrified a moment later to see the eagle rise with her child in its talons. When about ten feet from the ground the bird dropped its load. Failing in an attempt to pick up the child, the eagle pecked at its throat and eyes, gouging one eye out and lacerating its body. The squaw soon reached the spot and attempted to drive the eagle off with sticks, but the bird turned on her and pecked at her neck, inflicting a serious gash. It then rose in the air about 100 feet, but swooped down again. At this moment the sound of two distant rifle shots were heard and the bird fell to the ground. Powdje scarcely reached the eagle when he heard a shriek from the squaw and he discovered that his child had been killed.

A Way Out of It.

CLARKSBURG, Wa Va. Sept 6.—Last evening a young man from one of the back counties, accompanied by a pretty young woman, applied at several lodging houses for two rooms over night. As the city is overrun with guests to the fair, they failed in their quest, and the young man was in despair. Suddenly he asked the whereabouts of a minister. Rev J M Warden happened to be passing at the time, and was asked to marry them then and there. This the minister did, after recovering from his surprise, in the presence of a crowd of people attracted by the unusual scene. Mr Riggs said that they had tried in vain to get separate lodgings, and under the circumstances he thought they had better get married at once.

Looks Like War.

LONDON, Sept 6.—It is reported that the British foreign office will take vigorous measures in a few days to bring the Dardanelles question to a settlement. Lord Salisbury has been mild in his policy toward Turkey, so much so, that there has been much complaint among British subjects at Constantinople that less respect is shown for them than for the Germans. Now, however, it is rumored on sound authority that the attitude will be changed and that a bold demand will be made upon the sultan to take a stand against the claims of Russia.

A Burglar Shot.

ASHLAND, Or Sept 6.—A tramp broke into Klums' store at Talent, four miles north of here, last night, and was selecting his plunder when he was discovered by John Briner, a man sleeping in the store, who shot at the burglar three times, one shot going through his hat and another entering his side and ranging upward, producing a bad wound though not necessarily fatal.

TO TEA DRINKERS.— Probably three fourths of the teas consumed are "Green Teas." Unpleasant as the fact may be, the bright, shiny green so familiar to us all is not the natural color, but is due to the facing or glazing of the tea with Prussian blue, Indigo and other mineral colors.

That coloring hides the effects of poor teas is undoubted; but is it healthful, and does it not call loudly for the importation of a brand of pure, uncolored, unmanipulated tea?

It was this condition of affairs that prompted the placing of Beech's Tea before the public. Being the absolutely pure, uncolored leaf it is different in color from any you ever used. It draws a canary color of a delightful fragrance that is a revelation to tea drinkers, and its purity makes it more economical than the artificial teas, less of it being required per cup. Sold only in packages, 60 cents per pound. Ask for Beech's Tea, pure as childhood, for sale by Allen Bros., Flinn block, Albany.

LADIES OXFORD TIES.— I have a very large stock of these goods, in qualities ranging in price from $1.25 to $4 00 a pair. They are made of leather; every pair warranted. SAMUEL E YOUNG.

The DEMOCRAT will exchange a sewing machine of any make desired, except one or two, for some oak grub wood and part cash; or will consider other propositions by any one desiring a new machine.

Fortmiller & Irving have some Renaissance lace curtains for $18 a pair, as fine as anything ever seen in the city. They range down to $7 a pair. Other lace curtains down to $1 or less a pair.

Bargains in choice groceries can always be secured of Allen Bros., Flinn Block
