ONE MASS OF SCALES Afflicted 5 Years by Dreadful Skin and Blood Disease, with Intense Pain and Loss of Hair.

All Other Remedies Fail. Healed Instantly and Cured in Four Weeks by the Cuticura Remedies. I have a few words to say regarding the CUTICURA REMEDIES. They have cured me in four weeks time from a Skin and Blood Disease which I have had for over three years. At certain times, my skin would be very sore, and always kept cracking and peeling off in white scales. In cold weather my face was one mass of scales. When in the cold air the pain was intense. It would almost bring tears to my eyes, and my blood also being in a poor condition, with a loss of hair. I have tried every known remedy that was recommended to me, but it was of no use, and gave me very little benefit. So, hearing of your CUTICURA REMEDIES, I concluded to give them a trial. The first application gave almost instant relief. In a few weeks' time I found myself cured, and I am thankful for what they have done for me. Your CUTICURA REMEDIES are a blessing to those who may have the opportunity to use them. I can recommend them to any one. J. M. MIND KEARS, 2744 Union Ave., Chicago, Ill.

TELEGRAPHIC NEWS

Two Men Kidnapped.

SEATTLE, Sept 10.—The city is thrown into the wildest excitement by the kidnapping of Tom E. Bailey, the young millionaire, and R B Atherton, his attorney, this afternoon, by Detective M C Sullivan. Although the abduction was made at 5:30 o'clock, on second street, when it was crowded, no facts are obtainable and the whereabouts of the men are unknown. A rumor has been circulated that Bailey is suspected of having the securities stolen from the bank in his possession. A posse of police and deputy sheriffs are out horseback chasing the hack, and a special train with over 100 leading citizens has started for Tacoma.

Detective Sullivan and his two deputies were captured at Black River junction on the arrival of the train there at 11 o'clock by Chief Rogers and a posse of special deputies, and the whole party has just returned on the regular train from Tacoma.

Organized Cattle Thieves.

LA GRANDE, Gr Sept 10.—Evidence has developed within the past few days that an organized gang of cattle thieves exists in this country, with a probability that there are confederates in Baker City and in Idaho. Many farmers have missed cattle from their fields recently, the latest sufferer being Mr G W Buckman, a prominent farmer in the Sand Ridge, who reports the loss of six fine bred heifers, Monday night. Efforts are being made to trace the guilty parties, but as yet without success.

Starving Ruselans.

ST PETERSBURG, Sept 10.—In the province of Orel, bands of peasants are raging over the highways attacking convoys of grain and food even when the convoys are escorted by soldiers. Fights are of frequent occurrence and many persons have been killed. Crime is rampant, owing to the desire to escape starvation by imprisonment, and the jails are crowded with prisoners.

Bicycle Record Broken.

SPRINGFIELD, Mass Sept 10.—In the Bicycle races in Hampden Park today Zimmerman, of the New York Athletic club, was the star performer, winning the mile ordinary, half mile ordinary, quarter mile safety and half mile safety handicaps. His time in the latter race was 1:06 4-5, beating the world's record of 1:07 1/2.

Mrs Colburn Awarded \$300.

PORTLAND, Sept 10.—The jury in the case of Mrs Phoebe Colburn against the Portland & Willamette Valley Railroad Company came in at 10 o'clock yesterday morning, after having been out nearly twenty four hours, and returned a verdict awarding plaintiff damages in the sum of \$3500. The amount sued for was \$5000.

Edicts in China.

WASHINGTON, Sept 10.—The department of state has received a telegraphic dispatch from the minister at pekin, reporting a riot at Ychang, on the Yangtze Kiang river, in the province of Hoopce, and that the establishment of the American missionaries there has been destroyed. No further particulars are given. Ychang is about 200 miles above Hankow, which is about as far up the river as vessels of war can go.

Go to Julius Gradwohl's for Golden Rule Saxon soap. He has received 100 boxes full weight Saxon soap, expressly put up for the trade. It was bought for net cash and will be sold with a large discount. Albany, Aug. 26th, 1891.

ATTENTION.—The very latest news is that you can buy of Julius Gradwohl's Golden Rule Bazaar, for net cash, 15 pounds uncrushed sugar for \$1.00 and 18 pound Extra C. sugar. All goods sold for net cash from 10 to 25 per cent less the regular price, as I intend to run a strict cash store. Albany, Or, July 21.

TO TEA DRINKERS.—Probably three fourths of the teas consumed are "Green Teas." Unpleasant as the fact may be, the bright, shiny green so familiar to us all is not the natural color, but is due to the facing or glazing of the tea with Prussian blue, Indigo and other mineral colors. That coloring hides the effects of poor teas is undoubted; but is it healthful, and does it not call loudly for the importation of a brand of pure, uncolored, unmanipulated tea?

It was this condition of affairs that prompted the placing of Beech's Tea before the public. Being the absolutely pure, uncolored leaf it is different in color from any you ever used. It draws a canary color of a delightful fragrance that is a revelation to tea drinkers, and its purity makes it more economical than the artificial teas, less of it being required per cup. Sold only in packages. 50 cents per pound. Ask for Beech's Tea, pure as childhood, for sale by Allen Bros., Flinn block, Albany.

The Dispensary will exchange a sewing machine of any make desired, except one or two, for some oak crib wood and part cash; or will consider other propositions by any one desiring a new machine.

Fortmiller & Irving have some Renaissance lace curtains for \$18 a pair, as fine as anything ever seen in the city. They range down to \$7 a pair. Other lace curtains down to \$1 or less a pair.

Paragine in choice groceries can always be secured of Allen Bros., Flinn Block.

NEW PROCESS. Mrs A M Tait is now selling a new process for canning fruits and vegetables without cooking or sealing tight. Samples of her work may be seen at Brownell's store.
