Mothers!

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhoea and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mothers' friend. 35 doses, 35 cents.

A Valuable Remedy.

Hon Edmund L Pitts, the Late President of the New York State Senate writes:

STATE OF NEW YORK, SENATE CHAMBER, ALBANY, March 11, 1886

I have used Allcock's Porous Plasters in my family for the past five years, and can truthfully say they are a valuable remedy and effect great cures. I would not be without them. I have in several instances given some to friends suffering with weak and lame backs, and they invariably afforded certain and speedy relief. They cannot be too highly commended.

Ex-president Cleveland and wife are soon to leave their cottage at Buzzards Bay, in Massachusetts, and repair to their home in New York city. It will be remembered that a most interesting event is to occur in the Cleveland household about October 1st, when Mrs Cleveland is to become a mother.

The democrats and republicans of of New York are equally metallically equipped for the coming campaign in that state. The democratic candidate for governor has a "bar'l with a faucet to it, while the republicans have a Fassett with a "bar'l" to it. Honors are equal.

Take Care! There is Danger!

In allowing inactivity of the kidneys to grow through neglect. The deadly shoals o Bright's disease and diabetes will wreck the goodly bark of health if it is allowed to drift rudderless upon them. The bladder, too, if inactive, and judicious medication does not speedily direct the helm toward the port of safety, will be whelmed by the quicksand of disease. In selecting a diuretic, let your choice fall upon Hostetter's Stomach Litters, which stimulates the renal organs without irritating and exciting them, two effects to be apprehended from the unmodicated stimuli largely resorted to. These have a tendency to react prejudicially. The Bitters invigorate the kidneys and bladder, in common with the nerves and digestive organs, and so afford lasting aid. It also affords dual assistance in preventing and curing intermittent and remittent fever, Biliousness constipation and rheumatism it also subjugates.

OUR HEART'S DELIGHT.—Mrs A M Talt of this city is now soliciting subscriptions to a fine collection of vocal and instrumental music as has ever been placed before the lovers of music in Albany. The title of the work is, "Our Heart's Delight or the Sweet Melodies of the Past and Present." The book contains 366 pages of music and 32 full page lithograph portraits of the most gifted musical authors. The music alone at 10 cents a piece would cost $25. Call on or address Mrs A M Talt, P. O. Box 60, Albany, Or.

AN EXAMPLE.—The teas for American consumption are bought in China by European experts, who are called "tea tasters." The encyclopedias are authority for the fact that in a few years they have to give up their lucrative positions with shattered constitutions. The unhealthfulness of the adulterations and mineral coloring matter cannot be more strongly put. Beech's Tea is pure as childhood. For sale by Allen Bros.

TELEGRAPHIC NEWS

Balmaceda Dead.

NEW YORK, Sept 19.—The Herald's Valparaiso, Chili, dispatch says: Ex-President Balmaceda of Chili shot himself through the temple in his room at the Argentine legation in Santiago at 8:30 a. m. today.

It now seems that Balmaceda left Santiago August 9 last in the hope of making his escape from Chili, but seeing that every avenue of retreat was cut off, he returned there on Sept 17 and went to the Argentine legation.

Upon arriving there, however, he discovered to his chagrin that the vessel had sailed, hence he committed suicide to keep out of the hands of his enemies.

Washington's Tax

OLYMPIA, Sept 20.—The rate of the tax levy to be made by the State Board of Equalization at its session beginning on the 28th inst is a matter which is receiving attention from the members of the board. The annual state expenditures provided for by law amount to above $900,000. The state auditor estimates the total assessed valuation of the state at $350,000,000. The revenue law provides that the state Board of Equalization may levy a tax for general state purposes at a rate of not to exceed 3 mills on a dollar of the assessed valuation. A 3 mill levy, togather with the income from other sources, would yield a revenue this year of nearly $1,100,000 or a surplus above expenditures of about $150,000. Some claim the levy should be only 2½ mills.

Killed During a Ball Game.

CARSON, NEV, Sept 20,—Ralph B Stanley was killed in a baseball game today, by being struck on the neck with a ball thrown by Charles Eitle. He dropped on his knees, arose, started to run and stopped, saying: "Run the bases for me." He then pitched forward on his face, dying in three minutes. He was born with a stiff neck. Dr Guyon pronounced the suddenness of the shock on this weak spot as the cause of death.

A Crazy Womans Act.

SIOUX FALLS, S D, Sept 20.—Workmen on the railroad saw a woman walk to the Great Northern bridge yesterday, throw her 8-year-old boy in the river, her 18-months-old baby after him, and then plunge in herself. Boats soon reached the scene and dragged the three ashore, but too late to save the mother and babe. The woman is the wife of Contractor Neprosick, and was crazed on account of her husband's business reverses.

Mexican Affairs.

SAN ANTONIO, Sept 20.—Juan Macarito, who has arrived from Nier Mexico, says the Mexican revolutionists were overtaken near that place by government troops and a battle ensued in which several on both sides were killed. Cataria Garcia, the leader of the revolution, was seriously shot and then hung to a tree. Sandoval, his chief lieutenant, escaped to the mountains with a few followers. He is being pursued, and will be captured.

Carelessness of Chinamen.

NEEDLES, Cal. Sept 20.—A fire broke out in Sing Lee's laundry this morning at 3:30 o'clock and destroyed about $40,000 worth of property on the east end of Front street. It is thought that the laundrymen, stupified by opium, upset a lamp and set fire to their frame building, from which the flames rapidly spread.

TO TEA DRINKERS.— Probably three fourths of the teas consumed are "Green Teas." Unpleasant as the fact may be, the bright, shiny green so familiar to us all is not the natural color, but is due to the facing or glazing of the tea with Prussian blue, Indigo and other mineral colors.

That coloring hides the effects of poor teas is undoubted; but is it healthful, and does it not call loudly for the importation of a brand of pure, uncolored, unmanipulated tea?

It was this condition of affairs that prompted the placing of Beech's Tea before the public. Being the absolutely pure, uncolored leaf it is different in color from any you ever used. It draws a canary color of a delightful fragrance that is a revelation to tea drinkers, and its purity makes it more economical than the artificial teas, less of it being required per cup. Sold only in packages, 60 cents per pound. Ask for Beech's Tea, pure as childhood, for sale by Allen Bros., Flinn block, Albany.

Important to Housekeepers.

It gives Julius Gradwohl great satisfaction in selling his fine Golden Rule teas and baking powder, with elegant prizes or without them, that his customers who have purchased invariably return and say they are well pleased, that the tea is No. 1 and the baking powder is as good as the best. All his teas and baking powder bears the name of Julius Gradwohl's Golden Rule Bazaar, and are expressly put up for his business, and he still continues to give with each pound of tea or baking powder an elegant piece of glassware.
