

Oct. 12, 1891.

E. T. Fisher is plating two additions to our town, also establishing a uniform grade for Mill street, North Brownsville.

Fred Webber steps around at a lively rate now, caused by his being papa of another baby, born on the 4th inst.

The attractions in the Galbraith addition are great, so much so that R. L. Blanchard could not get his eighteen-month-old boy killed yesterday.

Mr. Blanchard and his children were out walking and while in the Galbraith addition he left his children a moment, at the same time a gentleman came driving along in a buggy.

Mr. Warren, late of Tenn., and an old friend of Dr. Reese, has an onion on 12 or 14 acres until the 13th, in the Galbraith addition, at \$80 per acre. This is all the land between Center street and the county road.

Mr. Rounds, of Ill., started this morning for his home in Chicago.

R. M. Bradley is expected down from the mines this week. A letter of late date from him is quite flattering as to the outlook at the Poorman claim.

OAKVILLE.

The farmers are busy seeding.

Land buyers are plenty, but no sales have been made of late.

Mrs. Hamilton and Miss Ethel Riddell left last Friday for Boise City, Idaho. Before leaving, Miss Ethel invited a few of her friends to spend the evening with her at the residence of her uncle, J. E. Hamilton.

The Y. P. S. C. E. met on the evening of the 7th and elected five delegates to attend the state convention at Albany, which meets Oct. 30th.

"August Flower"

Mr. Lorenzo F. Sleeper is very well known to the citizens of Appleton, Me., and neighborhood. He says: "Eight years ago I was taken sick, and suffered as no one but a dyspeptic can. I then began taking August Flower. At that time I was a great sufferer. Everything I ate distressed me so that I had to throw it up. Then in a few moments that horrid distress would come on and I would have to eat and suffer again. I took a little of your medicine, and felt much better, and after taking a little more August Flower my Dyspepsia disappeared, and since that time I have never had the first sign of it. I can eat anything without the least fear of distress. I wish all that are afflicted with that terrible disease or the troubles caused by it would try August Flower, as I am satisfied there is no medicine equal to it."

For that "again. I took a little of your medicine, and felt much better, and after taking a little more August Flower my Dyspepsia disappeared, and since that time I have never had the first sign of it. I can eat anything without the least fear of distress. I wish all that are afflicted with that terrible disease or the troubles caused by it would try August Flower, as I am satisfied there is no medicine equal to it."

MRS. GRAHAM'S

Cucumber and Elder Flower Cream. It is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, yet very skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you feel when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as hair to the flower.

Price 25c per oz. at all druggists and hardware stores, or at Mrs. Graham's establishment, 101 Post Street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle mailed free to any lady on receipt of 10 cents in stamps to pay postage and packing. Lady agents wanted.

MRS. GRAHAM'S Face Bleach. Cures the worst cases of Freckles, Sunburn, Saltiness, Meth patches, Pimples and all skin blemishes. Price 25c per oz. Harsh and effective, so simple that any lady can use it. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as hair to the flower.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed in the windows is not the natural color. Unpleasant as the fact may be, it is nevertheless artificial; mineral coloring matter being used for this purpose. The effect is twofold. It not only makes the tea a bright, shiny green, but also permits the use of "off-color" and worthless teas, which, once under the green cloak, are readily worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of your tea to give them a finer appearance, is carried out extensively. Green teas, being in this country especially popular, are prepared to meet the demand by coloring them with black lead, by gassing or fuming with Prussian blue, by dipping, or by other means. This method is so general that very little genuine uncolored green tea is offered for sale."

It was the knowledge of this condition of affairs that prompted the plan of issuing a tea before the public. It is a tea of a pure and without color. Did you ever see a genuine uncolored tea on the market? It will see it, and probably for the first time. It will be found in order to be just as good as the artificial green teas, but it has been the subject of a long and careful investigation, and is a tea of a pure and without color. It is a tea of a pure and without color. It is a tea of a pure and without color.
