**A Foul haul of Smugglers.**  
PORT TOWNSEND, Wash Oct 18.—Thirteen  
smugglers are reported to have been cap-  
tured on the San Juan islands by the revenue  
cutter Wolcott yesterday by a neat piece of  
strategy. Extensive smuggling of opium and  
Chinese has been going on for some time.  
The San Juan islands was the smuggler's  
rendevous. Captain Tozier sent a steam  
launch to guard the islands a week ago.  
Several men were sent from the launch dis-  
guised as shipwrecked sailors. They went to  
a cabin occupied by the smugglers and asked  
for shelter. After being there two days the  
men, having secured sufficient evidence against  
the smugglers, sent for the cutter Friday  
night the Wolcott went to the islands and  
captured thirteen of the gang and cut off the  
escape of the rest.

**The Chilean Election.**  
SANTIAGO, Oct 18.—The general election  
occurred throughout Chile today (Sunday). So  
far as known there were no disorders. Elec-  
tors were chosen today who will select the  
president next month. There is no indica-  
tion as yet as to who will be elected, as no  
candidates have yet been announced. The  
clerical party say they have secured a ma-  
jority in the house of deputies, and the senate  
will probably be controlled by the liberals.  
The exact result will not be known for several  
days. There was a street parade of troops  
today.

**Albertson Going Home.**

has been at Gardiner over a month nursing  
a wound inflicted when he was captured with  
Chandler, his accomplice, by a man named  
Moore, a hotel keeper at Gardiner. Albertson  
was brought in to Portland yesterday,  
over the Southern Pacific road.

**Those Lynchers.**  
OMAHA, Neb Oct 10.—Seven members of  
the mob which lynched the negro rapist last

by 6 p. m. a large crowd surrounded the  
county jail, and threatened that if the prison-  
ers were not given their liberty the jail would  
be attacked and the men liberated.

**The Road to Wealth**  
Cannot be successfully traveled with-  
out good health. To reach wealth or any  
 coveted position in life requires the full  
 possession and operation of all the fac-  
 ulties kind nature has endowed us with.  
 These faculties cannot exist unless the  
 physical being is in perfect working  
 order, and this is impossible when the  
 liver and spleen are torpid, thus obstruct-  
 ing the secretions, causing indigestion  
 and dyspepsia, with all of their accom-  
 panying horrors.  
**DR. HENLEY'S**  
**Englie-Dandelion Tonic**  
exerts a sp-ific influence over the liver,  
 creates it - healthy action, resolves its  
 chronic engorgements, and promotes the  
 secretions; cures indigestion and consti-  
 pation, sharpens the appetite, tones up  
 the entire system, and makes life worth  
 living.
