

October 19.

The mill at this place came near being destroyed by fire Friday morning. It is thought it was set afire.

The O P railroad company moved their China houses, car house and section houses, which were about two miles below town, up to town yesterday.

Our school began a week ago today with a fair attendance.

An alliance was organized here last Saturday evening. There will be an alliance address here next Friday evening.

Mr Col Reed has moved into the house he purchased of Chas Yates and will run the livery stable at this place.

M Berry, who has been dangerously ill at his father's place here, is able to be out again.

A Wheeler, of Springfield, was at this place on business last week.

P Lantzy is moving to Salem where he goes to take charge of an engine in the electric light plant at that place. Mr Lester, late of Kansas, has rented Mr Lantzy's place for the coming year.

TEA DRINKERS.—Probably three fourths of the teas consumed are "Green Teas." Unpleasant as the fact may be, the bright, shiny green so familiar to us all is not the natural color, but is due to the coloring of the tea with Prussian blue, indigo and other mineral colors.

That coloring hides the effects of poor teas is undoubted; but is it healthful, and does it not call loudly for the importation of a pure, uncolored, unmanipulated tea?

It was this condition of affairs that prompted the placing of Beech's Tea before the public. Being the absolutely pure, uncolored leaf it is different in color from any you ever used. It draws a canary color of a delightful fragrance that is a revelation to tea drinkers, and its purity makes it more economical than the artificial teas, less of it being required per cup. Sold only in packages, 60 cents per pound. Ask for Beech's Tea, pure as childhood, for sale by Allen Bros., Flinn block, Albany.

ATTENTION.—The very latest news is that you can buy of Julius Gradwohl's Bazaar, for net cash, 15 pounds granulated sugar for \$1.00 and 18 pounds Extra C sugar. All goods sold for net cash from 10 to 25 per cent less the regular price, as I intend to run a strict cash store. He will sell No 1 kerosene oil for twenty-five cents a gallon, and five gallons of pickles, for \$1, all at net cash, at Julius Gradwohl's bazaar. He also keeps a general assortment of groceries for sale as above at net cash.

KELLOGG SCHOOL.—The Kellogg school of dress cutting at corner of First and Baker in the Ralston house is now open. Lessons not limited. Ladies are invited to call and examine the system.

FOR SALE.—Twenty-four acre tract of land, in cultivation, suitable for prairie orchard, \$45 per acre. Inquire on premises of Wm St John, 4 miles west of Tangent.

Klein Bros have a large and choice stock of boots and shoes for sale at reasonable prices. Do not invest in boots until you have seen them; stock and the elegant piano at their store.

Shaken Out of Gear.

By malarial disease, the human machinery cannot perform its office. Digestion, secretion, evacuation are disordered, the blood becomes watery, the nerves feeble, the countenance ghastly, sleep disturbed and appetite capricious. Terrible is this disease, and its consequences. There is, however, a known antidote to the malarial poison, and a certain safeguard against it. In malarial regions of our South and West, in South America, Guatemala and on the Isthmus of Panama, as well as in transmarine countries where the scourge exists, this inimitable preventive and remedy, Hostetter's Stomach Bitters, has, during the last thirty-five years, been constantly widening the area of its usefulness, and demonstrating its sovereign value. Liver complaint, dyspepsia, constipation, kidney trouble, rheumatism and debility are all remedied by it.

MRS. GRAHAM'S

Cucumber and Elder Flower Cream

Is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind, and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as refreshing to the skin as dew is to the flower. Price \$1.00, at all druggists and hairdressers, or at Mrs. Graham's establishment, 104 First Street, San Francisco, where she treats ladies for all kinds of skin diseases. Look at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle

mailed free on any lady on request. A postage stamp of 10 cents in stamps or pay postage and packing. Lady agents wanted.

MRS. GRAHAM'S Face Bleach

Cures the worst cases of freckles, sunburn, sallowness, moth patches, pimples and all skin blemishes. Price \$1.00. Harshness and all skin blemishes can be cured. Lady agents wanted.

The Druggist in this town who first orders will have his name added to this advertisement. My preparations are for sale by wholesale druggists in Chicago and every city west of it.
