ON THE RIVER.—It is said that the up-river boats are ready to move and will be in operation between Salem and Portland—and also to points above—just as soon as there is enough water to bear the boats when they are loaded. The Oregon Pacific's Bently, Hoag and Sisters will be on the route, and the independent Salem-Portland Elwood will resume her regular run. The river is going up a little, regressing now just a foot above the low mark.—Statesmen. As the Willamette is at low water mark it will be some time before such a movement.

KELLOGG SCHOOL.—The Kellogg school of dress cutting at corner of First and Baker in the Ralston house is now open. Lessons not limited. Ladies are invited to call and examine the system.

Was Cured for \$5 by  
Cuticura Resolvent.

I have many times studied over what Cuticura has done for me. It has restored my much health and happiness, before I tried Cuticura. When I was given up by all the doctors in San Francisco, I had to take the advice of your friend's advice and tried Cuticura. I am now in perfect health and should certainly have saved \$6000. Cuticura is a most pitiful subject to look upon with eczema, and suffered terribly. I was almost as dark as coal from my disease but my skin is now both less, smoother, and more elastic. I am now in perfect health and after being half a dozen sets of Cuticura I am perfectly restored to good health and have enjoyed the same ever since (which is for over two years). A great number of people visit my establishment and I have told hundreds of people that Cuticura has been the only thing that has thought that I could not write and let you know so that you can not believe in this company to me.
