WHEAT MARKET

The wheat market is now settled in the valley into its regular channel, and the present prices show the value of the markets in different cities.

It is learned from parties who reside at Mitchell that McDaniel who cut off Stephenson's ear at that place recently was to some extent justifiable in doing what he did.

Recently we gave the rate of taxes in several cities, which were evidently incorrect. According to a Seattle paper the city tax there is only 3 1/2 mills, and county tax 10 mills, on a valuation of \$40,000,000 for the city, and \$71,000,000 for the county.

We pause in admiration for the Roseburg man, Charley Happersett, by name, who is about to issue a volume of prose and poetry and an invention, a switch, which can only be kept open by a man with a crowbar or by blocking it with a stick of wood.

John Wink has commenced a damage suit in the circuit court at Pendleton against the Union Pacific railroad company, for \$50,000.

Three indictments were found by the grand jury during the day, one against Oren Beam, the others secret, the defendants being absent.
