"German Syrup"

-Mississippi, written in April, 1890, just after the Grippe had visited that country. "I am a farmer, one of country. "I am a farmer, one of those who have to rise early and work late. At the beginning of last Winter I was on a trip to the City of Vicksburg, Miss., where I got well drenched in a shower of rain. I went home and was soon after seized with a dry, hacking cough. This grew worse every day, until I had to seek relief. I consulted Dr. Dixon who has since died, and he told me to get a bottle of Boschee's German Syrup. Meantime my cough grew worse and worse and then the Grippe came along and I caught that also very severely. My condition then compelled me to do something. I got two bottlesof German Syrup. I began using them, and before taking much of the second bottle, I was entirely clear of the Cough that had hung to me so long, the Grippe, and all its bad effects. I felt tip-top and have felt that way ever since." PETER J. BRIALS, Jr., Cayuga, Hines Co., Miss.
