

THE INGRAM TRIAL.

(Continued from 2nd page.)

caring for him if he was not dead. Dog was on porch that night, tied; he is a bull dog. Was there when Loudon sent dog down into corn patch.

Did not rub my eyes when the man approached me for I was frightened. Did not have revolver in my hands when I first saw the man. He was walking at an ordinary gait; he carried gun in front with muzzle pointing forward. Man did not speak to me before he shot. The other man shot at me too. Did not hear shot or bullets rattle in the trees. Boy had light in kitchen that night.

Loudon and I talked about it being unsafe to approach a man concealed. Told Loudon to go to barn and take any man prisoner who came back. Saw my brother in town the day of the killing. Henry came to my house when he wanted me to work the road. Settled a quarrel with Straney on day of killing; also sold some oats to Mr. Senders. Mac's will at Weatherford's office that day. Feared I would be killed. Bought ammunition that day. Had three pistols and two guns at my house at time of killing. Was out of house twice after killing and before the jury came. Had been reading the DEMOCRAT before I went out. Prior to day of killing saw Henry in Hewitt's office on Thursday.

It may have been true that the reason why Henry's deposition was because Mr. Weatherford was not present.

WILLIAM LOONEY testified. Reside about four miles south of Albany. Am acquainted with deft. and Henry. Frank and Loudon came to my house Wednesday night before the killing; said some one was prowling around Frank's house and they wanted my gun to defend themselves. Did not go down to Frank's house the night after the shooting; Loudon told me about the man being killed, but did not say who it was. My mother and wife told me I had better not go.

Ed. R. M. CARTER testified as follows: Saw deft. at Odd Fellow's temple on the Friday night previous to the killing. Meeting broke up between 10 and 11 o'clock. Deft. recalled. Said he and John Ingram proposed that if the heirs would settle up their property matters without going into the courts, they would relinquish all their rights.

D. S. SMITH testified as follows: Saw Loudon the night of the killing. Said Loudon did not tell him that it was Henry Ingram that had told him to take a pistol and watch Henry's house and that he did so and saw two men go in.

Wm. INGRAM testified as follows: Reside in Linn county. Was at Albany and Henry Ingram's the Friday prior to the killing. Went to Henry's at Sunday and said all night. Went to bed 9:30 o'clock. Neither Henry nor myself left his premises between Sunday and 9:30 o'clock. Staid at Henry's Saturday night. Have been trying to maintain the will.

JUDG. POWELL testified as follows: Am referee in the Ingram will case. The reason the evidence of Henry Ingram was not taken at Mr. Hewitt's office was because Mr. Weatherford was not present. Was not positive that Frank Ingram objected to taking Henry's evidence.

Deft's counsel read medical authorities going to show that persons wounded in the heart may live several minutes even hours.

At press time the case was not yet presented to the jury. The afternoon being taken up in argument by the counsel.

"German Syrup"

Martinsville, N. J., Methodist Parsonage. "My acquaintance with your remedy, Boschee's German Syrup, was made about fourteen years ago, when I contracted a Cold which resulted in a Hoarseness and a Cough which disabled me from filling my pulpit for a number of Sabbaths. After trying a Physician, without obtaining relief—I cannot say now what remedy he prescribed—I saw the advertisement of your remedy and obtained a bottle. I received such quick and permanent help from it that whenever we have had Throat or Bronchial troubles since in our family, Boschee's German Syrup has been our favorite remedy and always with favorable results. I have never hesitated to report my experience of its use to others when I have found them troubled in like manner." REV. W. H. HAGGARTY, of the Newark, New Jersey, M. E. Conference, April 25, '90.

MRS. GRAHAM'S

Cucumber and Elder Flower Cream

Is not a cosmetic in the sense in which that term is generally used, but permanently beautiful, it creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sunburn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. Price \$1.00, at all druggists and hairdressers, or at Mrs. Graham's establishment, 103 Post Street, San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for free little book "How to be Beautiful."
