ROYAL

IS THE

Best Baking Powder

The Official Government Reports:

The United States Government, after elaborate tests, reports the ROYAL BAKING POWDER to be of greater leavening strength than any other. (*Bulletin 13, Ag. Dep., p. 599.*)

The Canadian Official Tests, recently made, show the ROYAL BAKING POWDER highest of all in leavening strength. (*Bulletin 10, p. 16, Inland Rev. Dep.*)

In practical use, therefore, the ROYAL BAKING POWDER goes further, makes purer and more perfect food than any other.

Government Chemists Certify:

"The Royal Baking Powder is composed of pure and wholesome ingredients. It does not contain either alum or phosphates, or other injurious substances."
EDWARD G. LOVE, Ph. D.

"The Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public."
HENRY A. MOTT, M.D., Ph.D.

"The Royal Baking Powder is purest in quality and highest in strength of any baking powder of which I have knowledge."
WM. McMURTRIE, Ph. D.

The Delarte corset affords a support both light and strong, freedom in all motion and elegance of shape. The Delarte waists for ladies and children are recommended by all who have tried them. Mrs. Tait, exclusive agent. Samples may be seen at Mrs. Gilbert's dressmaking parlors, over Golden Rule Bazaar.

It is actually economy to drink Beech's Tea. Being absolutely pure, it is much stronger than the artificial teas, about one third less of it, or about twenty grains, being required per cup. As there are 7,680 grains to a pound, there will be seen to be between three and four hundred cups to the pound. As it is but 60 cents per pound, this is at the rate of about one fifth of a cent per cup. For sale at Allen Bros.

For bargains in monuments, headstones etc., go to E. W. Achison & Co., Albany, Oregon.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

WHEAT, 90 CENTS.

C. M. Horn killed two dozen ducks in Linn county yesterday.—Eugene Guard. Some Linn county man will have to recopiate by killing two dozen ducks in Lane county. At least that is the present spirit of the world.

There is a silver lining around Albany's prospects that is very bright. Property in this vicinity will increase in value many per cent in the next few years. There is a general feeling that there is something in the report that there will be harmony in the management of the Oregon Pacific, and that it will go ahead.

There is a prevailing idea that fruit cannot be raised in Eastern Oregon. The following from the E. O. upsets this: A. Waugh, the pioneer resident of Birch creek, this year sold \$300 worth of fruit from his orchard, which is three acres in extent, trees on one acre and a half being in bearing. One blue pearmain apple tree yielded 3000 pounds, the fruit from this tree alone bringing \$50.

Foot races on the square are very interesting contests; but nearly all of them nowadays are frauds. The following from the E. O. is a sample: The great foot race this afternoon was a fiasco. After some "jockeying" the two men started, and ran over the line. Doyle then stopped, and Kelley ran to the end of the track. He then put on his coat and came up town, accompanied by his hucker, and followed by a large and disappointed crowd. Much money was bet besides the stakes, \$500 a side. Just how the bets will be decided is unknown at this writing.

TELEGRAPHIC NEWS

Wholesale Burglary.

GRANITE, Idaho, Nov. 27.—The greatest sensation that the town has ever experienced occurred here last night. The cause was a number of robberies. Yesterday was payday on the line of work, and, as usual, every saloon and dancehouse was in an extreme state of hilarity all night. This morning it was discovered that every saloon and lodging house had been robbed during the night of sums ranging from \$15 to \$100. Numerous watches and articles of clothing had been taken from under the pillows of lodgers who were asleep in Woodruff's lodging house.

A Cowardly Murder.

SEATTLE, Nov. 27.—A special from Cedar Mountain, a mining and agricultural town in King county, says: Will Mason the 20-year-old son of Thomas Mason, a wealthy rancher was shot and instantly killed at 6:15 today while sitting at supper by some person unknown. A single shot was fired through a window four feet from where he sat. He fell and died before his two brothers and two hired men, who were sitting at the table, could reach him. The deed was evidently premeditated, as the murderer stood close to the window and fired at him with a rifle, the muzzle of which touched the glass.

Coming Westward!

WASHINGTON, Nov. 27.—The democrats have decided that their convention will go west. The executive committee meets here on December 8 to arrange for the meeting of the entire committee February 22, and they are giving voice to that determination. Two-thirds of the members of the big committee have already expressed themselves in favor of going to what is considered a defective and bebtable ground. Chicago may be chosen, but that is as far east as they will go for an eligible location. San Francisco, Omaha and Minneapolis will again confront each other when the time comes.

He Got It.

SALT LAKE, Nov. 27.—Police Captain Parker was shot and instantly killed here this morning. Parker was serving his last day as captain, the office having been abolished, and, as he had been drinking, appeared spoiling for a fight. He first tried to quarrel with officer Donovan, who evaded the trouble. Then he met officer Albright, demanding why he (Albright) did not report with the others this morning. Albright said he did. Parker gave him the lie, called him a vile name, and put the revolver to his stomach and pulled the trigger. The revolver failed to explode, and Albright shot Parker dead.

A Miner Burned to Death

HELENA, Mont Nov. 27.—Patrick Gillan, an old time miner, of Diamond City, was burned to death in his cabin at an early hour yesterday morning. The cabin was discovered on fire about 5:30 o'clock. The body of Gillan was burned to a crisp, nothing but the bones being left. How the fire started is not known. Gillan had been mining in Diamond City for something over twenty years.

Champion Burlder.

A. A. Jordan, champion burlder of America and holder of the American record for running 120 yards over 3 feet 6 inch hurdles, says: "I have for a great many years used Alcock's Porous Plasters, particularly during the training season. I find that if I am affected in back or loins with any kind of a pain or strain, that Alcock's Porous Plasters instantly afford relief. For pains in the body, the result of a severe cold, nothing can beat Alcock's Plasters. I would certainly recommend the plasters to any athlete who is suffering with soreness or stiffness while in training."

"A chemical success and medical triumph," so speaks an eminent physician in reference to Ayer's Cherry Pectoral, and the eulogy was none too strong. No other medicine is so safe and efficacious in all diseases of the throat and lungs.
