As easily answered as asked: It is for Dyspepsia. It is a special remedy for the Stomach and Liver. Nothing more than this; but this brimful. We believe August Flower cures Dyspepsia. We know it will. We have reasons for knowing it. Twenty years ago it started in a small country town. To-day it has an honored place in every city and country store, possesses one of the largest manu-facturing plants in the country and sells everywhere. Why is this? The reason is as simple as a child's thought. It is honest, does one thing, and does it right along—it cures Dyspepsia. G. G. GREEN, Sole Man'fr, Woodbury, N.J.

MRS. GRAHAM'S

Cucumber

Elder Flower Cream

Is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies, it creates a soft, smooth, clear, ve'vety skin, and by skilly use gradually makes the complexion several shades whiter. It is a constant protection from the effects of any and wind and prevents sun burn and freekles, and black beads will never come while you see it. It cleanses the face for better than soap and water, nourshes and builts up the skin tissues and prevents the formation of wrinkins. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every tady, young or old ought to use it, as it gives a more routhful appearance to any lady, and that permanently. It contains no acid, powder or alkall, and is as hamiless as downed as notrishing to the skin as dew is to the flower. Price St. 100, at all drugrists and hardressers, or at Mrs Gervaise Graham's establishment, 103 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Isalies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."
