"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. Ancker, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."

For several years I have recommended your 'Castoria,' and shall always continue to do so as it has invariably produced beneficial results."

Royal Baking Powder Has no Equal.

The United States Official Report

Of the Government Baking Powder tests recently made, under authority of Congress, by the Department of Agriculture, Washington, D. The Official Report shows the ROYAL superior to all others in leavening power; a cream of tartar powder of highest quality.

The Canadian Tests:

"The strength of the Royal is shown to be 23 per cent. greater than any other."
"As a result of my investigations I find the Royal Baking Powder far superior to the others. It is pure, contains none but wholesome ingredients, and is of greatest strength."

It is actually economy to drink Beech's Tea. Being absolutely pure, it is much stronger than the artificial teas, about one third less of it, or about twenty grains, being equal per cup. As there are 7,680 grains to a pound, there will be seen to be between three and four hundred cups to the pound. As it is but 60 cents per pound, this is at the rate of about one fifth of a cent per cup. For sale at Allen Bros.

TELEGRAPHIC NEWS

NEW YORK, Dec 18.—A story current about the city hall this morning was that Lieutenant-Governor Jones called on Gov Hill the other day and begged him to resign. Jones, it is said, pleaded that it had been his ambition from boyhood to be governor, and he would be satisfied with one week in office. Hill frankly said: "I cannot trust you because I believe you would act with the republicans." Jones said he would make an affidavit, Hill intimated that if a man's word could not be taken an affidavit could hardly make the matter more sure.

Blaine Wants It.

WASHINGTON, Dec 18.—Hon Joseph H Manley, of Augusta, Me, was in Washington early in the week and spent considerable time with Secretary Blaine. Certain of the District republicans, who escorted Manley to the station Tuesday evening, pressed him for an expression of Secretary Blaine's intentions as to the presidency. Manley replied that while Blaine was not a candidate in the sense he was in 1876, and was not asking and would not ask any one to support him, he would not refuse the nomination.

A Fatal Accident.

THE DALLES, Dec 18.—Word has just reached here from Prineville, of the death of Alexander Finlayson near that place, Monday last. Mr Finlayson was one of the oldest and best-known sheepmen in Eastern Oregon. He was returning from Prineville, after completing the purchase of a band of sheep, when his horses were frightened and started to run away. Mr Finlayson was thrown between the wagon-hed and the hind wheel, so firmly wedging him in that when he was found he was dead and the wheel locked. Mr Finlayson was of Scotch birth, and about 50 years of age.

A Careless Man.

CHICAGO, Dec 18.—R F Roy, secretary of the Boston iron works, last Thursday took two boxes from the company's vaults—one containing diamonds worth \$3000, the other papers worth \$16,000. He deposited the boxes in the waste-paper basket, intending to put them back in the vault in a few minutes, but forgot them, and left his office. The janitor, a man named Dahl, dumped them in a room where the waste paper is kept, and the police, who were notified of the loss, found them.

A Cattle King Arrested.

SPOKANE, Wash Dec 18.—Abe Willis, the alleged king of the gang of cattle thieves who have been plying their vocation in the Palouse country and selling the stolen cattle at Bonner's Ferry, Idaho, was captured yesterday morning by Deputy Sheriff Fred Moreley, of Kootenai county, about twenty miles from Oakesdale. Mr Mooreley arrived in Spokane with his prisoner on the Palouse freight at 11:30 last night, and took the 1 o'clock passenger for Kootenai station.

Irwin Resigns.

SALEM, Dec 18.—Rev G M Irwin has tendered his resignation as superintendent of the government Indian training school at Chemawa near this city. He resigned to re-enter the ministry. Irwin was appointed under President Harrison in August, 1889.

THE KEY TO SUCCESS.

That is what we all want. It isn't luck, for there is no such thing. It is principally being careful about small things, for instance, the buying of the best quality of groceries, fruits and produce for family use, at the smallest cost. This counts in the long run. Those who deal with Conn & Hendrickson report bargains both in quality and price. They also have a fine line of crockery ware, toys, etc, suitable for the holiday trade, which it will pay the public to call and see before buying.
