

"German Syrup"

Here is something from Mr. Frank A. Hale, proprietor of the De Witt House, Lewiston, and the Tontine Hotel, Brunswick, Me. Hotel men meet the world as it comes and goes, and are not slow in sizing people and things up for what they are worth. He says that he has lost a father and several brothers and sisters from Pulmonary Consumption, and is himself frequently troubled with colds, and he often coughs enough to make him sick at his stomach. Whenever he has taken a cold of this kind he uses Boschee's German Syrup, and it cures him every time. Here is a man who knows the full danger of lung troubles, and would therefore be most particular as to the medicine he used. What is his opinion? Listen! "I use nothing but Boschee's German Syrup, and have advised, I presume, more than a hundred different persons to take it. They agree with me that it is the best cough syrup in the market."

NOTICE TO STOCK-HOLDERS.
Notice is hereby given that the annual stock holders meeting of the Farmers & Merchants Insurance Company of Albany, Oregon, will be held at the company's office in the city of Albany, Oregon, on Wednesday, January 1st, 1892, at the hour of 2 o'clock p.m. said day, for the purpose of electing nine directors of said company, to serve for one year, and to transact any other business as may regularly come before said meeting. By order of the President
J. O. WHITSMAN
Secretary.

A Severe Law.

The English people look more closely to the genuineness of these staples than we do. In fact, they have a law under which they make seizures and destroy adulterated products that are not what they are represented to be. Under this law thousands of pounds of tea have been burned because of their wholesale adulteration.

Ten, for example, is one of the most notorious "tea" brands of adulterated tea. Not only is it right, shiny green tea artificially colored, but thousands of pounds of it are used to make a few dollars worth of tea. It is not only bad for the stomach, but it is also a poison. Even exhausted tea leaves are used. Even exhausted tea leaves are used. Even exhausted tea leaves are used.

MRS. GRAHAM'S Cucumber Elder Flower Cream

Is not a cosmetic in the sense in which that term is popularly used, but permanently beautiful, it creates a soft, smooth, clear, velvet skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sunburn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a new and youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. Price \$1.00, at all druggists and hairdressers, or at Mrs. Gessie Graham's establishment, 103 Post Street, San Francisco, where she treats ladies for all blemishes and discolorations of the face, and a disease treated by letter. Send stamp for her little book "How to be Beautiful."
