

TANGENT, Dec 20, 1891.

Owing to bad weather, most of the people in and about this place are having a rest from their labors.

Some of our citizens have a boat, which they use to a good advantage by making frequent trips in it from Kendall's to Blevins' bridge. The boatmen or hunters return with several dozen of ducks.

The literary is "booming." At the last meeting it was decided that the government should operate all railroads. For the next meeting the question as to whether the Oregon legislature shall appropriate \$100,000 for an exhibit at the World's fair, is to be discussed. The following question, resolved that a protective tariff duty is a benefit to wage workers in industrial and manufacturing pursuits, is to be argued on the evening of Jan. 9. On the affirmative are George Kuthe, Bert Luper and R. L. Smith. On the negative, A. Blevins, F. M. Mitchell, Jesse McGee.

Mr. Brooks and family, who came from Illinois about two years ago, and have since been living west of Tangent, left yesterday on the north bound train for the east, by way of the Oregon short line.

"August Flower"

The Hon. J. W. Fennimore is the Sheriff of Kent Co., Del., and lives at Dover, the County Seat and Capital of the State. The sheriff is a gentleman fifty-nine years of age, and this is what he says: "I have used your August Flower for several years in my family and for my own use, and found it does me more good than any other remedy. I have been troubled with what I call Sick Headache. A pain comes in the back part of my head first, and then soon a general headache until I become sick and vomit. At times, too, I have a fullness after eating, a pressure after eating at the pit of the stomach, and sourness, when food seemed to rise up in my throat and mouth. When I feel this coming on if I take a little August Flower it relieves me, and is the best remedy I have ever taken for it. For this reason I take it and recommend it to others as a great remedy for Dyspepsia, &c."

A Severe Law.

The English people look more closely to the genuineness of these staples than we do. In fact, they have a law under which they make seizures and destroy adulterated products that are not what they are represented to be. Under this statute thousands of pounds of tea have been burned because of their wholesale adulteration.

Tea, by the way, is one of the most notorious adulterated articles of commerce. Not alone are the bright, shiny green teas artificially colored, but thousands of pounds of adulterated tea leaves are used to swell the bulk of cheap teas; and, still, and willow leaves, and other most commonly used, are mixed with the tea. Even exhausted tea leaves are gathered from the tea bushes and kept, dried, and made over and find their way into the cheap teas.

The English government attempts to stamp this out by law, but no tea is too poor for them, and the result is that probably the most expensive tea used by any nation are those consumed in America. Deane's Tea is presented with the guarantee that it is unadulterated and unadulterated; in fact, the tea-leaf is pure and simple. Its purity insures superior strength, about one-third less of it being required for an infusion than of the adulterated tea, and its fragrance and exquisite flavor is at once apparent. It will be a revelation to you. In order that its purity and quality may be guaranteed, it is sold only in pound packages bearing this trademark.

MRS. GRAHAM'S Cucumber and Elder Flower Cream

It is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies, it softens a soft, smooth, clear, rosy skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sunburn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and tones up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every day, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as refreshing to the skin as dew is to the flower. Price \$1.00, at all druggists and hardware stores, or at Mrs. Graham's establishment, 103 Post Street, San Francisco, where she treats ladies for all blemishes of the face or figure.
